Thank You to Brett and Bev Baker!

Thank you so much Brett and Bev Baker for hosting us at Sandler TrustPoint on Tuesday! I think everyone in attendance would agree, it was so much fun getting back to one of the original traditions of Rotary. If you missed out Tuesday, ask one of your fellow Rotarians what they thought about it. It was great insight into the day to day of TrustPoint, great laughs, and the best fellowship!

Save the date of August 25, Sarah DeGuire will host us at the Oasis Hotel and Convention Center.

Local Leaders Share their Pivoting Stories

By Lori Fan on Friday, August 7, 2020

This week we will get to know a few of our fellow Rotarians a little better AND enjoy a great discussion on how they and others have kept their businesses afloat during the pandemic. **Pivoting: Turning Crisis Into Opportunity** will explore how COVID-19 has disrupted the lives of many, especially small businesses and nonprofits. But with challenge comes opportunity and a renewed drive to make it happen!

Learn firsthand from **CJ Miles**, co-owner of Pasta Express, **Rich Horton**, owner of Horton Electric Services, and **Greg Burris**, president and CEO of United Way of the Ozarks, as they share stories and solutions of how they (and those in their industry)

have had to creatively adapt in order to keep their businesses and nonprofits afloat during these unprecedented times.

Eden Village Update

Eden Village founders Dr. David and Linda Brown created Eden Villages with the hopes of making Springfield a city where "no one sleeps outside."

Metro Rotary members supported the opening of the Community Center at Eden Village with a simplified grant and a Service Project. Join us for an update and new video on how the project has grown over the last few years.
