February 16- Keeping People Safe and In Their Homes During a Pandemic

By Sarah M. Watson

Keeping People Safe and in Their Home During the Pandemic

For thousands of people in the community, keeping their home during COVID-19 has added to the already stressful impact of the pandemic. The Greene County Commission recently applied for funds through the federal government available to communities to provide rental, mortgage and utility assistance to families whose ability to pay has been impacted by COVID-19. We will hear from two local housing assistance experts on what programs are available, who will administer them and when the funds will be available for local families. Our presenters are:

Dee Maples ♦

Director of Housing and Financial Programs at Catholic Charities

It's a Birthday Party and You Are Invited!

By Sarah M. Watson

Are you a Charter Member? Current Member? Past Member? In Consideration of being a Member? Or just that person that likes to celebrate birthdays for the cake? Whichever one it is, we invite you!

It's Springfield Metro Rotary's Birthday and we want to celebrate with you! On March 09, 2020, from 5:00-7:00, we will be having a birthday party for Springfield Metro Rotary at 425 W Walnut St.

Since 2011, Springfield Metro has been able to do many great things because you gave your time and talents. We have helped local organizations, such as The Dream Center, Good Samaritan Boys Ranch, Abilities First, The Victim Center, Eden Village, The Fairbanks Project, I Pour Life, and many many more through our 5th Tuesday Projects and District Simplified Grants. To this day, we continue our support and partnership with McGregor Elementary each month at the H.A.B.I.T Store. Metro has participated in several International projects as well.

In true Rotarian fashion, I felt that it is important we tie in a little community giving as well. We will be collecting items for Wish I May that evening as well. Wish I May is an organization that provides ♦Happy Birthdays♦ to underprivileged children and their parents/guardians in Greene County. Below is a list of items needed for the organization.

Chocolate, strawberry, white and funfetti cake mixes and icing (\$0.88 at Walmart)

Candles, plates, napkins, cards

Fleece blankets (Walmart has them for around \$2.00)

Items for teen girls and boys

Lifetime friendships have come from Rotary and it is important that we remember that. I hope you can drop by to celebrate Springfield Metro! We are excited to see our friends old and new!

Springfield Metro Weather Policy

By Sarah M. Watson

As we make our way through the winter months and have questionable weather from time to time, you might wonder if we will be having our meeting. Springfield Metro follows the Ozark Technical Community College night class cancellations for inclement weather. When OTC cancels night classes, we will not be having a meeting.
