5th Tuesday Project at The Science Sprouts Discovery School

By Sarah M. Watson

Springfield Metro will finish out the 2020-2021 Rotary year doing what we love. A service project! We will be working at The Science Sprouts Discovery School located at 3347 W Farm Road 168, Springfield.

They have some outdoor work that is needing to be done. Could include things such as mowing, weed eating, mulching the playground and such. If you have items such as rakes, shovels, gloves, and other things to work outside please bring them.

Rob Blevins and his son Jack presented to us Tuesday night and mentioned having some pizza for us to enjoy as well. We have had a great year partnering with this organization. They have done a lot of great things for our community and we should be very proud to give a little back to them.

Please RSVP in DACdb if you plan to be there and I sure hope you can be there.

has to happen. If you plan to leave the club please let a board member know as soon as you can.

- If you expect your payment to be after the June 30 deadline, but plan to continue your membership with Metro, please let Michael Brady know.

- If you need to make special arrangements to pay your dues (i.e. bi-annually or quarterly) this is absolutely not a problem, you will just need to discuss with Michael Brady.

You will see a theme here... We want to work with our membership as much as possible with dues, but it is important that we have an up-to-date membership roster before July 1. As we pay RI for all members on our roster at that point.

Passing of the Gavel - June 22

By Sarah M. Watson

On June 22, 2021 we will be celebrating accomplishments of our club for the 2020-2021 Rotary Year and passing the gavel to our incoming President CJ Miles. We have many great things that will be happening Tuesday night and we really hope you plan to be there. It will be important that we start at 5:00, so please try to be on time. We want to be respectful of your time and will move the program along as best we can, but it might run longer than our normal meeting time.

Please RSVP in DACdb for that night.
