Learn about Bear POWER at our September Rotary on the Road!

By Lori Fan

On September 22, MSU Executive Director of Alumni Relations Lori Fan invites you to visit the Meyer Alumni Center to meet Rachel Heinz, director of Missouri State University's Bear POWER (Promoting Opportunities for Work, Education and Resilience). We'll learn about this inclusive college program for students with intellectual and developmental disabilities that launched in Spring 2019. Rachel oversees the Bear POWER Program, raises awareness for inclusion within educational settings, the community and the workplace, and provides leadership on a local, regional and national level as the spokesperson for Bear POWER.

When her 8 year-old son, Hudson, was diagnosed with Down syndrome at birth, she started on a path of advocating for people with disabilities to educate about inclusion, increase opportunities and raise expectations. She is currently Vice Chair of Membership and Communication with the Midwest Inclusive Post-Secondary Alliance (MIPSA). In addition, Rachel has worked with other inclusive post-secondary programs by providing mentorship to parents, educators and advocates across the United States.

Snacks and beverages provided!

5th Tuesday Project at Help Give Hope

By Lori Fan

Join us on September 29 to do what we do best...Serve! Come along to hear why our own Michael Brady has such a passion for the mission on this organization that he left "corporate America" for an amazing job at Help Give Hope.

We will be taking down tables that have been used for garage sales. The tables legs will be folded up and the tables placed on pallets. The pallets will then be moved with a forklift to other areas of the warehouse. No special clothing needed. There will be some choices of adult beverages and water available to all attendees. This project should not take very long. We can remain at Help Give Hope and enjoy beverages.

Help Give Hope was established in 1981 to assist needy children and families in Southwest Missouri. Originally designed to only provide Christmas assistance, the charity now has a robust year-round mission and has become one of Southwest Missouri's largest children's charities. They serve Greene, Northern Christian and Western Webster counties.

HGH assists families with utilities, rent, gas vouchers and educational help throughout the year. Since 2006 they have assisted almost 2,600 families and over 9,000 children with a Merrier Christmas. They also offer a used car program that has become one of the largest in the Midwest, with over 130 vehicles donated to families in need since the program's inception.

H.A.B.I.T Store - 9/28/20 and 10/1/20

By Sarah M. Watson

We finally get to see our favorite kids at McGregor Elementary!! The faculty and staff at McGregor knows the impact that Springfield Metro has on the kids at McGregor Elementary, so we are one of the very few groups on the approved list! Due to restrictions and schedules for the school district, the H.A.B.I.T store will look a little different right now. We will be opening the store on both September 28 and October 1 from 9:00-11:30. You know these kids are going to be excited to see us, so lets not let them down!
