The Rotary Club of Fayetteville

Good evening Rotarians

Thank you for joining us last week as we heard from Dr. Mary Berge. I hope you took some good practices and tips from her presentation to help you stay sane during the rest of the pandemic.

Remember that we are recording all meetings now, and you can watch past meetings on Youtube. You can watch last week's meeting here. Beginning July 1st, our Zoom meetings will start to count towards attendance. If you haven to seen a fellow Rotarian at our meetings, reach out and encourage them to attend. If you missed our meeting, we are loading our meetings to Youtube. If you miss a meeting and watch it on YouTube, please email Jill.

This week, our Roteracters - our University club students- are coming to speak to us. Paul Reagan will be moderating as we hear from their perspective.

A bit of sad news now - for those of you who have not heard, Past-District Governor, and Springdale Rotarian, John Broadbeck, passed away this past Saturday. John was a Rotarian who made an impact on many lives. When we have information about his service, I will share with the club. Please keep John's family and those who knew him in your thoughts and prayers.

Tommy Lewis will have a drop-off location on the front porch of his office to drop off old (clean and empty) pill bottles to dontae to MSNI. You can drop it off at 791 Longview Sign on building - Lewis Management Inc. Corporation (the grey house across from Lewis Ford).
