Club of Fayetteville

October 29, 2020

The Rotary Club of Fayetteville

Good morning Rotarians,

Thank you for joining us last week as we had our club assembly and recognized World Polio Day. If you are interested in joining committees and volunteering in various activities, please let me know, or reach out to the chair of that committee. [DACDB](#) is the Rotary website to find all information about our committees and chair contact info. All videos and graphics for World Polio used in the meeting can be [found here](#). If you missed the meeting, or wanted to view the conversation afterwards, you can [view it here](#).

There will be NO Thursday meeting this week! Instead, we will meet MONDAY, October 26 with the Springdale and Northside Clubs for our annual quizbowl tournament. For those of you new to the Club, who have not experienced quizbowl, this is not your average Quizbowl. Each club creates a team of three members who study and memorize details and facts from the Rotary magazine editions July, August & September. Each Club has a member who creates questions for one month and help set up the logistics of the tournament. John Threet is our question creator/moderator, and has generously held this title for several years. This year's team will be Roger Cunningham, Harrison Pittman, and myself. Our team has won three years in a row, so this year we are going for 4 - in hopes to tie it up with the last team who won 4 years in a row (also from our club). It is an hour of fun and heckling from the crowd -both virtual and in person this year. It may make things_

Springdale is holding a Polio Day Fundraiser after the meeting on October 26 at the Odd Soul Bar in downtown Springdale. From 1-9pm, if you make a donation to Polio, drinks are free! They have patio area and indoor seating. Go celebrate our win (or commiserate with us). *

Our Rotary Masks are in! I have a box of masks at my office located at **3729 N. Crossover** (sign says Bogart Immigration) **OR** you can pick them up at **Generations Bank at 3665 N. Investment Dr** (over by Target). Generations Bank is a convenient drive-through only location, so you can drive through to grab your mask. Generations Bank is also doing a canned food drive for Seven Hills, so if you would like to bring a can by with your mask, you would be welcome to.

For Rotarians who are unable or unwilling to come pick your mask up, I am happy to deliver with some other Rotarians. Please let me know if you would prefer this. We ordered masks for everyone, regardless of your ability or desire to pay. But if you would like to make a \$5 donation to cover your mask cost and a fellow Rotarian, please feel free.

Tommy Lewis will have a drop-off location on the front porch of his office to drop off old (clean and empty) pill bottles to donate to MSNI. You can drop it off at 791 Longview ♦ Sign on building - Lewis Management Inc. Corporation (the grey house across from Lewis Ford).

I look forward to seeing everyone Today. Please see my prior email for the Zoom link for today's meeting, as it is different than our regular meeting link.

Yours in Rotary Service,
Zoe Naylor
