The Rotary Club of Fayetteville

Good afternoon Rotarians,

Thank you for joining us last week for our joint meeting with Springdale. I have heard that some of the sound was a little tricky to hear the actual quizbowl portion, but I am glad so many of you were able to join us. It is a little hazy as to who actually won this year - our team was well in the lead until a last minute rule change - but I know we all had fun participating. It was nice to experience Springdale's in-person meeting, but it also made it clear to me that it was still a covid-meeting, and not the same as Rotary used to be before the pandemic. In light of this, I think our choice to remain virtual only is a good decision and I appreciate our club choosing this option.

Election week is always an exciting time for a political scientist - I always enjoy this tangible way my students can interact with the federal government. Whichever way you choose to vote, I highly encourage you make sure you go vote tomorrow if you have not already! I know several Rotarians have been working the polls this year - I'll be out working the 1425 N. Sang Ave location tomorrow. Rotarians are often highly engaged citizens so I hope you will be engaged in this important right citizens have. I was not given the privilege to vote until 2013, so I always find it additionally enjoyable to actually get to vote each election.

This week our speaker will be Coach Neighbors, the women's basketball coach at the University of Arkansas.

Our Rotary Masks are in! I have a box of masks at my office located at **3729 N. Crossover** (sign says Bogart Immigration) **OR** you can pick them up at **Generations Bank at 3665 N. Investment Dr** (over by Target). Generations Bank is a convenient drive-through only location, so you can drive through to grab your mask. Generations Bank is also doing a canned food drive for Seven Hills, so if you would like to bring a can by with your mask, you would be welcome to.

For Rotarians who are unable or unwilling to come pick your mask up, I am happy to deliver with some other Rotarians. Please let me know if you would prefer this. We ordered masks for everyone, regardless of your ability or desire to pay. But if you would like to make a \$5 donation to cover your mask cost and a fellow Rotarian, please feel free.

Tommy Lewis will have a drop-off location on the front porch of his office to drop off old (clean and empty) pill bottles to donate to MSNI. You can drop it off at 791 Longview ♦ Sign on building - Lewis Management Inc. Corporation (the grey house across from Lewis Ford).
