Our Motto:

Having fun doing good in the community!

Our Mission:

Southside is home to the rowdiest Rotarians in Tulsa. We impact communities locally and around the world, provide leadership within our district, and mentor the next generation of Rotarians.

Rotary International Vision Statement 2020:

Together, we see a world where people unite and take action to create lasting change  across the globe, in our communities, and in ourselves

Program: Jeremy Nichols

Jeremy was born in Muskogee in 1988 in a low income household. My parents divorced ten years later and after 4 years in Locust Grove with my father I moved to Tulsa to live with my mother. I began using drugs and alcohol at the age of 12 and spent the next 18 years in active addiction. At 30 I was graced with a moment of clarity and my recovery began.

Through a combination of programs for homeless people, hard work, a 12 step program, a sponsor, and a relationship with Jesus I've been clean since August 27th of 2018. Today I'm of service to the 12 step fellowship, an active member of the Bixby Rotary Club, and work as a salesman at Donohue Commercial Service.

ROD: Jon H. Heaps

Jon grew up in a small farm community in Southern Iowa. His Father was a Highway Patrolman and his Mother worked for the local Telephone company. He worked 33 years in the telecommunications industry. In those years he worked for Western Electric, AT&T and Northwestern Bell before retiring from Qwest Communications.

He moved to Owasso 21 years ago when his wife of over 33 years accepted a management position in Tulsa. Together they raised one daughter, KyLee. Jon has two daughters from a previous marriage, Lori Rossman in North Platte, NE and Brandi Heaps in Kansas City, MO.

He has four grandchildren:

Tyrell Rossman in College at Nebraska
Teagan Rossman in College at University of Nebraska in Omaha
Montana England employed as a Dental Assistant in Kansas City, MO
Kooper Jon Addington 2.5 years of age

POLIO PLUS

WORLD POLIO DAY OCTOBER 24th

Since 1988, Rotary and our partners have immunized nearly **3 billion children** against polio. As of June 2020, Rotary had committed more than **\$2.1 billion to global polio eradication**, seeking to eliminate the wild poliovirus in the last two countries where it remains endemic and to ensure that it does not return elsewhere.

In 2019-20, program awards, including PolioPlus Partners grants, totaled \$151.8 million.

CUT THE ACE!

Ladies and Gentlemen,

You may want to put in a few dollars this week because our total up for grabs is now **\$1,195!**

Rotary Spotlight: American Wheelchair Mission by Noel Morris

The Rotary District 6110 wheelchair project is alive and well. For the past 18 years, the Springdale Rotary Club has partnered with other clubs and the District to purchase and deliver wheelchairs around the world to those that need one but cannot afford one. Since we started this project, we have been able to purchase over 10,000 wheelchairs to provide mobility to those in need.

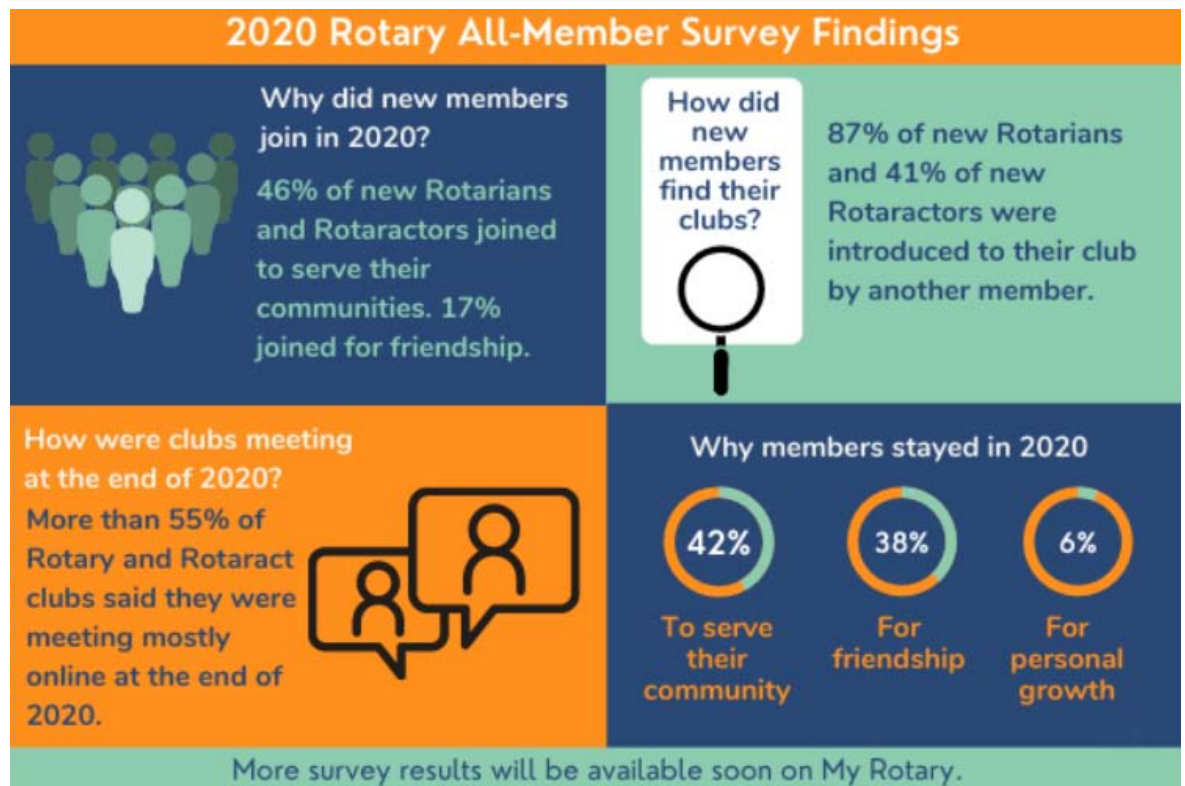

Here's a great 5 minute video of our District at work in Cancun - give it a look: [Wheelchair video](#) You can also use this with your club.

There are a lot of things that we take for granted, such as pre-natal care, and technological advancements, that are not as common elsewhere in the world. The results are birth defects, and disabilities among children and adults. We have been able to make distribution trips to over 20 locations in Mexico, and Central America, to personally see the miracle of mobility in action.

We are currently in the process of planning a trip to Mexico City in the spring of 2022 and any Rotarian is invited to go. You can get more info at our booth during District Conference September 18 in Eureka Springs.

Just as a reminder, you can have a profound impact and change a life and the lives of those around the recipient for \$150. These can be purchased by individual Rotarians or your club.
If you, or your club wants to give the gift of mobility, contact Noel Morris via email: [Noel Morris email](#) or call him at: 479-841-7340

The next trip will be March 10th - 14th, 2022 to Mexico City!

Good News!

As we've reported in prior newsletters over the years, malaria has been, and remains, a primary cause of childhood illness and death in sub-Saharan Africa. More than 260,000 African children under the age of five die from malaria annually. In recent years, the World Health Organization (WHO) and its partners have reported stagnation in progress against the deadly disease.

However, in a groundbreaking announcement October 6th, WHO is recommending extensive use of a malaria vaccine called RTS,S for children in sub-Saharan Africa.

WHO's Director-General Dr Tedros Adhanom Ghebreyesus said, "This is a historic moment. The long-awaited malaria vaccine for children is a breakthrough for science, child health and malaria control. Using this vaccine on top of existing tools to prevent malaria could save tens of thousands of young lives each year."

"For centuries, malaria has stalked sub-Saharan Africa, causing immense personal suffering," said WHO's Regional Director for Africa, Dr Matshidiso Moeti. "We have long hoped for an effective malaria vaccine and now for the first time, we have such a vaccine recommended for widespread use. Today's recommendation offers a glimmer of hope for the continent which shoulders the heaviest burden of the disease, and we expect many more African children to be protected from malaria and grow into healthy adults."

The pilot conducted revealed that the vaccine is feasible to deliver, has a strong safety profile, doesn't decrease the use of other preventative measures like bed nets, reduced deadly severe malaria by 30%, and is highly cost effective. While there remain many issues in getting this vaccine (and others under development) to the children in need, this is a very encouraging first step in impacting this terrible disease.

More Good News!

In August, with the Ugandan lockdown ravaging their economy, thanks to your generosity, BARHD was able to help the three secondary schools we support. A total of \$45,000 from BARHD's Education Account was wired to the schools to be spent on sustaining their employees. Each school's Board chose the employees and the amounts they'd receive, including teachers, administrative employees, cooks, gardeners and janitors. The notes of thanks received have been heartwarming.

Note: President Museveni has announced he hopes the secondary schools will be able to reopen in January, once most teachers have been vaccinated.

MEMBERSHIP and TEAMS

Co-Chairs Larry and Parker have a plan for meeting incoming RI President Shekhar Mehta's year-long goal of "Each one, bring one" to increase Rotary's membership.

The first step in gaining membership is really retaining membership.
To that effect, they have established eight teams to help foster greater connection and support

SOUTHSIDE MEMBERSHIP TEAMS

It is the purpose of these teams to let Southside Rotary members know that they are missed from any meeting or any other club activities, to build closer relationships with other Southside Rotarians, and to share opportunities to bring new members into Southside Rotary Club.

The second step is showing our club off.

Every Southsider is encouraged to bring one guest this upcoming year. If you aren't sure where to start, they have provided a Classifications list, showing some of the neat careers that might make Southside Tulsa an even more dynamic group.

Classification List

This Classification list is general in nature and could be used in most medium size Rotary Clubs.

To customize it for your club simply remove the classifications that are not available in your area and add those that are not shown on this list. It is suggested that you use a Chamber of Commerce business list or the headings in your local yellow page phone directory to help modify this list to fit your available classifications.

Reformat and show your member's name after their classification and the classifications left without a name are the ones you need to start filling.
