## Program: Ed Johnson - Current Events in the Ukraine

Ed Johnson has served with the US Army as both a soldier and senior civilian employee. He has been deployed all around the world, including an 18 month deployment as an Infantry squad leader in Iraq.

Ed currently serves as the Public Affairs Officer for the US Army Corps of Engineers (southern half of Kansas, all of Oklahoma and north Texas).

In his current role he frequently deploys to war zones or global areas impacted by natural disasters. His most recent wartime deployment was to Ukraine, where he served as the US Department of Defense's senior information warfare advisor to the Ukrainian Minister of Defense.

And most importantly, he has been married to Anja, his German Frau for 33 years! They have 3 awesome sons and are all practicing Lutherans.

## ROD: Scott Burmeister

Scott is a graduate of the University of Central Florida with a degree in Philosophy.

He has a Masters in Divinity from Concordia Seminary in St Louis and he is the pastor at Christ the Redeemer Lutheran Church.

Scott is married to his high school sweetheart Denise and they have a 17 year old daughter Elise, who is a senior at Jenks High School.

Scott enjoys tennis, hunting, and classical guitar. He is a Paul Harris fellow and past president of the Southeast Rotary Club of Tulsa.

### DISTRICT GOVERNOR VISIT

DG Kevin Merrill will attend Southside's August 5th meeting!

## DISTRICT NEWS

Are you ready to  
take the next step in  
Rotary Leadership?

**Who:** Rotarians in District 6110 (That's YOU!)

**What:** Our District Leadership Academy is a seven-month advanced online program for Rotarians interested in learning more about Rotary, looking to participate in future leadership positions and to find more effective ways to conduct Rotary work – within clubs or in district Rotary service.

**Where:** the Academy happens mostly online using your computer—in your PJs if desired!

**When:** Applications due now, completed by Sept 15.

**Why:** Be a better Rotary leader, do things the right way, be the person with the answers!

**How:** Complete the application on the website: <https://academy6110.org/>

**Faculty:** Experienced District 6110 Rotarians, including past governors, assistant governors, other district leaders and Rotarians with professional experience in their specific course topic.

**Topics:** Communications, Membership, Public Image, Youth Service, RI Programming, The Rotary Foundation, and District 6110

**Cost:** \$100—Club leadership is encouraged to refund participants upon graduation as an investment for the future.

**Can I do this?** There's a lot to study and learn, but with our new District-based program there's lots of help. It's mostly on-line on your schedule for each module. Expect to invest about 3 hours per week becoming a better Rotarian.

**Questions?** Lots more info here: <https://academy6110.org/faqs>

**Talk to the Dean—Scott Tatman:** [Statman@Acmefoundry.net](mailto:Statman@Acmefoundry.net)

***“As the District Governor-Elect and graduate of the DLA program,  
I highly encourage you to invest in yourself and the future.”  
Kevin Merrill, District Governor***

### **There is a new group in town!**

Cole Adamson and your very own Laura Tapp came up with the idea to gather Rotarians together once or twice a month for a casual social in the evenings, cycling between various local businesses. We believe gathering a group of **young** Rotarians and potential members for a good time while sharing food and discussions would be a successful means of showing how diverse Rotary really is within District 6110. To be clear, we are not (I repeat, not!) wanting these events to be exclusionary in any way, shape, or form!

### **EVERYONE is welcome to attend.**

The event that led us to this idea came from a young woman who was interested in Rotary but felt intimidated by the larger and more formal club meeting setting, and felt she would connect better with peers her age rather than the broad spectrum of individuals who make up a Rotary club. 4 Rotarians from 3 different clubs met with her and her friend at a Brewery for a meet and greet. We all ended up having a blast. It was a casual enough setting for the young woman to feel comfortable, and afterwards she agreed to go with us to club meetings. It made us think - how many potential members are we missing out on due to intimidation? What could we do to rectify this potential issue? Well, why not host casual events within public spaces to develop organic conversations about what Rotary is? To that end, we have started a social event called **Rotary After Dark**. WE ROTARY HARD! [#RAD6110](#)

### **Next Event**

**A Relaxed Evening at  
High Gravity Brewing Co  
6808 S Memorial Dr  
July 15th  
5:30 PM to 8 PM**

---

### **Social Calendar for the Year**

**The Fellowship Committee will be meeting soon  
to get some authentic Southside Events  
setup for the 2021-2022 Rotary Year!**

### **MEMBERSHIP and TEAMS**

Co-Chairs Larry and Parker have a plan for meeting incoming RI President Shekhar Mehta's year-

long goal of "Each one, bring one" to increase Rotary's membership.

The first step in gaining membership is really retaining membership. To that effect, they have established eight teams to help foster greater connection and support

SOUTHSIDE MEMBERSHIP TEAMS		
It is the purpose of these teams to let Southside Rotary members know that they are missed from any meeting or any other club activities, to build closer relationships with other Southside Rotarians, and to share opportunities to bring new members into Southside Rotary Club.

The second step is showing our club off.

Every Southsider is encouraged to bring one guest this upcoming year. If you aren't sure where to start, they have provided a Classifications list, showing some of the neat careers that might make Southside Tulsa an even more dynamic group.

## Classification List

This Classification list is general in nature and could be used in most medium size Rotary Clubs.

To customize it for your club simply remove the classifications that are not available in your area and add those that are not shown on this list. It is suggested that you use a Chamber of Commerce business list or the headings in your local yellow page phone directory to help modify this list to fit your available classifications.

Reformat and show your member's name after their classification and the classifications left without a name are the ones you need to start filling.
