Program: Jonathan Gobbo - Director of Real Estate Improvements at the Tulsa Airport

Jonathan is the inaugural Direct of Real Estate for Tulsa Airports Improvement Trust, the controlling entity for Tulsa International Airport as well as Richard L. Jones Jr Airport in south Tulsa (we don't like it when people say Jenks Ha!). Jonathan took the position at the end of April in 2019. Some people don't realize that TUL has over 700 acres that we can develop for aeronautical and non-aeronautical purposes due to the fact the airport controls the land between Mingo Rd and Hwy 169. TAIT purchased all that land as they were going to have to build a third parallel runway due to the amount of flights we had in the 70's. Deregulation in 1978 and with technology advancing so airplanes could land and take off closer together, the capacity for TUL went from 80+% to 30+% and hasn't seen a huge increase since. Since the airport purchased all the land it was finally decided to take the third parallel off the  Airport Layout Plan  and try to develop it for additional income. That's where Jon comes into the picture. He recently landed a 42 acre development with Amazon as the end user and currently has multiple  irons in the fire  for more development, both aeronautical and non-aeronautical.

Jonathan's second year with TAIT saw the worst pandemic our world has seen in 100 years and it brought airline travel to a crawl. Because of the pandemic, Jonathan's role with TAIT has only increased as it showed the need to diversify the airport's revenue sources away from being reliant on the airlines. The exciting news is that airline travel is coming back and TUL has added new

airlines with new non-stop destinations.

He is a former Southside Rotary member, but now that he works at the airport, the drive was a little far for him on a weekly basis. He is still loving life with his beautiful bride, Keely and their now almost 5 year old (July 31) daughter, Briella and soon to be 2 year old Karsten (June 28). Briella is the absolute sweetest little angel and does no wrong, while Karsten is a boy and we will leave it at that.

ROD: Todd Chapman

Todd grew up in Oklahoma, Texas, Missouri and Colorado.

He learned, at a very young age how to adapt to new environments and how to befriend all kinds of people. He has worked since he was 14 years old and is an entrepreneur at heart. He has owned several businesses but the one he prefers most is the one he is in currently.

Todd has been a Financial Representative with COUNTRY Financial for the last 10 years. He enjoys working with his clients and helping them secure their financial future. He also enjoys working with CPA's, Attorneys and mortgage loan officers to address their client's financial and insurance needs. His work background is extensive and covers an array of industries.

In the 1990's he was an IT specialist, trainer, supervisor and manager as well as a service level agreement analyst with American Airlines and The Sabre Group. His first real business was a mobile tool company that kept him very busy throughout the early 2000's. He later worked in the telecommunications industry and the manufacturing world as an international buyer and planner.

Todd has been married to his beautiful wife, Bunnie for 27 years. He has 3 children and 3 grandchildren that he loves spending time with. He enjoys outdoor activities (especially with the family) like fishing, hiking, scuba diving, hunting and riding 4 wheelers.

He is a past member of the Broken Arrow Chamber of Commerce, a 3-year member of the Bixby Chamber of Commerce and recently joined The Rotary Club of Southside Tulsa and is looking forward to exploring all of the service opportunities that Rotary has to offer.

NOTES: Please review the ROD list at the bottom of the Bulletin! Starting in July it will be complete through December so PLEASE take a few minutes to see when you are scheduled and start thinking about who you want to invite as speaker!

Laura needs YOUR biography, the SPEAKERS biography, and the SPEAKERS photo TWO WEEKS before you are ROD! She will sic David Hughes on you if you do not!!

DISTRICT NEWS

Are you ready to
take the next step in
Rotary Leadership?

Who: Rotarians in District 6110 (That's YOU!)

What: Our District Leadership Academy is a seven-month advanced online program for Rotarians interested in learning more about Rotary, looking to participate in future leadership positions and to find more effective ways to conduct Rotary work – within clubs or in district Rotary service.

Where: the Academy happens mostly online using your computer—in your PJs if desired!

When: Applications due now, completed by Sept 15.

Why: Be a better Rotary leader, do things the right way, be the person with the answers!

How: Complete the application on the website: <https://academy6110.org/>

Faculty: Experienced District 6110 Rotarians, including past governors, assistant governors, other district leaders and Rotarians with professional experience in their specific course topic.

Topics: Communications, Membership, Public Image, Youth Service, RI Programming, The Rotary Foundation, and District 6110

Cost: \$100—Club leadership is encouraged to refund participants upon graduation as an investment for the future.

Can I do this? There's a lot to study and learn, but with our new District-based program there's lots of help. It's mostly on-line on your schedule for each module. Expect to invest about 3 hours per week becoming a better Rotarian.

Questions? Lots more info here: <https://academy6110.org/faqs>

I highly encourage you to invest in yourself and the future.”
Kevin Merrill, District Governor***

There is a new group in town!

Cole Adamson and your very own Laura Tapp came up with the idea to gather Rotarians together once or twice a month for a casual social in the evenings, cycling between various local businesses. We believe gathering a group of Rotarians and potential members for a good time while sharing food and discussions would be a successful means of showing how diverse Rotary really is within District 6110. To be clear, we are not (I repeat, not!) wanting these events to be exclusionary in any way, shape, or form!

EVERYONE is welcome to attend.

The event that led us to this idea came from a young woman who was interested in Rotary but felt intimidated by the larger and more formal club meeting setting, and felt she would connect better with peers her age rather than the broad spectrum of individuals who make up a Rotary club. 4 Rotarians from 3 different clubs met with her and her friend at a Brewery for a meet and greet. We all ended up having a blast. It was a casual enough setting for the young woman to feel comfortable, and afterwards she agreed to go with us to club meetings. It made us think - how many potential members are we missing out on due to intimidation? What could we do to rectify this potential issue? Well, why not host casual events within public spaces to develop organic conversations about what Rotary is? To that end, we have started a social event called  Rotary After Dark . WE ROTARY HARD! MEMBERSHIP and TEAMS

Co-Chairs Larry and Parker have a plan for meeting incoming RI President Shekhar Mehta's year-long goal of "Each one, bring one" to increase Rotary's membership.

The first step in gaining membership is really retaining membership.

To that effect, they have established eight teams to help foster greater connection and support

SOUTHSIDE MEMBERSHIP TEAMS		
It is the purpose of these teams to let Southside Rotary members know that they are missed from any meeting or any other club activities, to build closer relationships with other Southside Rotarians, and to share opportunities to bring new members into Southside Rotary Club.

The second step is showing our club off.

Every Southsider is encouraged to bring one guest this upcoming year. If you aren't sure where to start, they have provided a Classifications list, showing some of the neat careers that might make Southside Tulsa an even more dynamic group.

Classification List

This Classification list is general in nature and could be used in most medium size Rotary Clubs.

To customize it for your club simply remove the classifications that are not available in your area and add those that are not shown on this list. It is suggested that you use a Chamber of Commerce business list or the headings in your local yellow page phone directory to help modify this list to fit your available classifications.

Reformat and show your member's name after their classification and the classifications left without a name are the ones you need to start filling.
