ROTARY FOUNDATION CORNER

Polio eradication is Rotary s top philanthropic priority.

Rotary launched the PolioPlus program in 1985.

In 1988, when Rotary began working with its partners in the Global Polio Eradication Initiative, there were more than 350,000 polio cases in over 125 countries. Since then, nearly **3 billion children** have been immunized against polio, and the incidence of polio has decreased **99.9%**.

As of 2020, Rotary s contributions to the global polio eradication effort, including matching funds from the Bill & Melinda Gates Foundation, exceeded \$2 billion.

DISTRICT NEWS

Are you ready to
take the next step in
Rotary Leadership?

Who: Rotarians in District 6110 (That's YOU!)

What: Our District Leadership Academy is a seven-month advanced online program for Rotarians interested in learning more about Rotary, looking to participate in future leadership positions and to find more effective ways to conduct Rotary work – within clubs or in district Rotary service.

Where: the Academy happens mostly online using your computer—in your PJs if desired!

When: Applications due now, completed by Sept 15.

Why: Be a better Rotary leader, do things the right way, be the person with the answers!

How: Complete the application on the website: <https://academy6110.org/>

Faculty: Experienced District 6110 Rotarians, including past governors, assistant governors, other district leaders and Rotarians with professional experience in their specific course topic.

Topics: Communications, Membership, Public Image, Youth Service, RI Programming, The Rotary Foundation, and District 6110

Cost: \$100—Club leadership is encouraged to refund participants upon graduation as an investment for the future.

Can I do this? There's a lot to study and learn, but with our new District-based program there's lots of help. It's mostly on-line on your schedule for each module. Expect to invest about 3 hours per week becoming a better Rotarian.

Questions? Lots more info here: <https://academy6110.org/faqs>

*"As the District Governor-Elect and graduate of the DLA program,
I highly encourage you to invest in yourself and the future."
Kevin Merrill, District Governor*

There is a new group in town!

Cole Adamson and your very own Laura Tapp came up with the idea to gather Rotarians together once or twice a month for a casual social in the evenings, cycling between various local businesses. We believe gathering a group of Rotarians and potential members for a good time while sharing food and discussions would be a successful means of showing how diverse Rotary really is within District 6110. To be clear, we are not (I repeat, not!) wanting these events to be exclusionary in any way, shape, or form!

EVERYONE is welcome to attend.

The event that led us to this idea came from a young woman who was interested in Rotary but felt intimidated by the larger and more formal club meeting setting, and felt she would connect better with peers her age rather than the broad spectrum of individuals who make up a Rotary club. 4 Rotarians from 3 different clubs met with her and her friend at a Brewery for a meet and greet. We all ended up having a blast. It was a casual enough setting for the young woman to feel comfortable, and afterwards she agreed to go with us to club meetings. It made us think - how many potential members are we missing out on due to intimidation? What could we do to rectify this potential issue? Well, why not host casual events within public spaces to develop organic conversations about what Rotary is? To that end, we have started a social event called ♦Rotary After Dark♦. WE ROTARY HARD! MEMBERSHIP and TEAMS

Co-Chairs Larry and Parker have a plan for meeting incoming RI President Shekhar Mehta's year-long goal of "Each one, bring one" to increase Rotary's membership.

The first step in gaining membership is really retaining membership. To that effect, they have established eight teams to help foster greater connection and support

SOUTHSIDE MEMBERSHIP TEAMS

It is the purpose of these teams to let Southside Rotary members know that they are missed from any meeting or any other club activities, to build closer relationships with other Southside Rotarians, and to share opportunities to bring new members into Southside Rotary Club.

The second step is showing our club off.

Every Southsider is encouraged to bring one guest this upcoming year. If you aren't sure where to start, they have provided a Classifications list, showing some of the neat careers that might make Southside Tulsa an even more dynamic group.

Classification List

This Classification list is general in nature and could be used in most medium size Rotary Clubs.

To customize it for your club simply remove the classifications that are not available in your area and add those that are not shown on this list. It is suggested that you use a Chamber of Commerce business list or the headings in your local yellow page phone directory to help modify this list to fit your available classifications.

Reformat and show your member's name after their classification and the classifications left without a name are the ones you need to start filling.
