Program Preview

Patty Fuhman is one of the Key people at our home meeting place, the Tulsa Marriott Southern Hills. As you well know, the hotel is undergoing a huge renovation/renewal. Patty will be bringing us up to speed on the project, the progress, and where they go from here.

Rotarian of the Day

Jim Webster has been a Sunriser for a whole two years and two months now. He is our Youth Services Director which, among other things, puts him at the helm of projects like RYLA and our Dictionary project. He has a BA in Marketing from the University of Oklahoma, and is the managing partner of Worldwide Building Products, LLC. If we are lucky, he will elaborate a little on his business and the globe-trotting he does with it.

Last Week's Club Biz

Friday morning was the awards ceremony for our **Geography Bee** winners. The two 7th graders are pictured here receiving their plaques. They were introduced stating this was the toughest academic contest of the year. Thank you to Bill Lawson for arranging this event.

Visitors **Jessica Dyer**, former Sunriser, was the guest of Ellie Tonquest. When she visits again, please make sure you introduce yourself to Jessica. **Dan Kennedy** and **Monte Stewart** were our guests from the Jenks Rotary Club. **Sherry Oswald** came all the way from Shawnee, KS to visit Sunrise.

Last Week's Program

Diane Dickinson and her husband founded Heart of the Shepherd at Shepherd's Cross. She is a licensed veterinarian, who initially wanted to work with horses, but was blocked from doing so by other (male) veterinarians, or so she thought initially. It turns out that "the men" were being used to get her to listen to a higher calling: "Feed my sheep". Now the sheep ranch that they built does so many down to earth heavenly things that the world is a much better place. They are shepherding sheep, obviously, but they are also shepherding people all over the world. You can find a long list of the programs, services, classes, events, and products that they offer on their website. Diane gave us a taste of it, but it sounds like it's one of those places that you need to see for yourself. Maybe you should add it to your bucket list.

Thank you! Thank you and Gracias to those Sunrise Volunteers who have given up Monthly Saturday mornings in Service at **the Jenks Community Food Bank** this Current Fiscal Year! **You know who you are!! Kudos/much appreciated.** *Jim Milburn*

Pot of Gold

The pot is up to \$463, and the deck is mighty thin. Rene Jungo had the right ticket. That Joker is one elusive rascal! Someone is going to win it soon! It may as well be you – but you have to buy a ticket.

Huh?

Sometimes I shock myself with the smart stuff I say and do. Other times, I try to get out of my car with the seatbelt on.

Another?

Does refusing to go to the gym count as resistance training?
