A Message from District Governor Jay Craig

Greetings Rotarians!!

Here we go, off at a gallop! The situation may have changed, as neither the country, nor Rotary looks like it did a year ago. Things just happen, and things just change. It has been said that the only thing constant, is change. We as Rotarians have experienced change before. This is not the only decade in our history in which profound changes have happened. We have had wars, crashes, terrorists, mayhem, around the globe, and yet, Rotary remains a steadfast shining star.

The Rotary theme for this period on the Rotary Calendar is **Membership and New Club Development**. We have lost a few members due to the effect the Corona Virus has had on both our economy, as well as our temporary inability to meet freely in person. It is harder to hold a person's interest when you cannot see them. We are profoundly sorry for the difficulties this pandemic has placed on many of our families, and wish all a happy, prosperous recovery.

Yet, we must keep our focus on our current members, what we have to accomplish, and the new members that we can procure. Your District Leadership Team will soon launch a New Membership Drive. You will be hearing more about this at District Training Assembly, and from me when I visit your clubs. In addition, I have an idea for two new clubs that I would like to see started in our District this year. We are only limited by our imagination in what we seek to do. So let us let our imaginations soar!

Please know that I am profoundly proud of you. District 6110 is a great District! We are made up of members who bring a wealth of talent, diversity, inclusivity, enthusiasm, and hope. Let us all work together for the good that is to be. I will be seeing you all soon!

Jay Craig
2020-2021 District Governor

COVID-19 DELAYS MSNI RAFFLE DRAWING

The Medical Supplies Network annual drawing originally to have occurred at the District Assembly on May 16, 2020, has been delayed until August 22, 2020, to coincide with the virtual District Assembly. The corona virus pandemic has disrupted all of our lives and the MSNI Arctic Cat ATV raffle was no exception. Not only was the District Assembly postponed, but the ability to sell tickets the last three months was seriously impaired. Tickets are available with a mail-in entry form available on the MSNI website, www.msni.org. You can't win without a ticket.
