District Conference and Foundation Banquet Set for September

Governor Kevin Merrill and especially his wife Lisa have been working hard on this year's IN-PERSON District Conference. It is set for Saturday, September 18 at the BestWestern Inn of the Ozarks in Eureka Springs. For under \$100 (it's only \$95!!) you will have a day chock-full of what ROTarians have asked for: sharing ideas of what works! We'll tell you some more below but here's even more good

news:

The night before, Sept 17, will conduct the Fifth Annual District Foundation Banquet, with a special honoree of long-time District Foundation chair, Ed Hardesty. Ed is well known in the district and is an inspiration when it comes to promoting our Foundation. You won't want to miss this special Foundation event!

Both events will feature remarks in-person by past RI President John Germ. John is also a past Foundation Chair, and will have special insight for all attending both events. The special focus of the Conference will be in sharing ideas. Reviews of post-conference surveys have demonstrated an interest in learning from each other. One club may do a bang-up project, and another club may want to "try it on" for their club. There will be plenty of Idea Exchange opportunities at the Conference.

Reservation information for the conference will be announced soon, but you might consider booking your hotel room and getting tickets (or sponsorship opportunities) for the Foundation Banquet.
