Serving Others

Batesville Help & Hope has reached out to us for help. They are needing volunteers to help them out during this trying time. Most of their usual volunteers are older and are staying home due to being high risk. They want to be able to stay open to continue to provide food, but are needing volunteers to help operate when they are open.

They are working to make it as safe as possible for volunteers. They have changed it so that people have to stay in their vehicles and do not come inside. They also have gloves and masks for people.

Tracy Smith is the director. They are currently open Monday, Wednesday, and Friday from 8 am to Noon each week. If you can help or if you know of anyone who can help, please give Tracy a call at 870-834-6274.
