## Speaker for Monday 10/19/20

**Sammi Kelsey and Rich Eveld**  
Midwest Health Consultants

Midwest Health Consultants is a hospital grade company that has been around since 1982 and branched into disinfection about four years ago. We work with customers in various fields to educate and meet their disinfection needs. We will inform your members on how to make sure their workplace and homes are both properly disinfected.

James Arbuckle Sr. DG- Elect  
David F. Menz DG- Nominee

**Batesville Help & Hope** has reached out to us for help. They are needing volunteers to help them out during this trying time. Most of their usual volunteers are older and are staying home due to being high risk. They want to be able to stay open to continue to provide food, but are needing volunteers to help operate when they are open.

They are working to make it as safe as possible for volunteers. They have changed it so that people have to stay in their vehicles and do not come inside. They also have gloves and masks for people.

Tracy Smith is the director. They are currently open Monday, Wednesday, and Friday from 8 am to Noon each week. If you can help or if you know of anyone who can help, please give Tracy a call at 870-834-6274.

## From the Governor

By Michael E. Bennage

I don't know about you, but September flew by very quickly. I have had the opportunity to meet lots of Rotarians and have enjoyed each visit, even if some of them were by Zoom. Clubs are coming up with some innovative ways to meet and stay engaged in Rotary, and I am thankful for their service to this great organization. Keep it going!

We have lots of opportunities to serve in October. World Polio day is October 24<sup>th</sup>, 2020, so make your plans now to have some type of event to celebrate the eradication of Polio. Have a speaker, paint your finger, or find some way to participate this year. We had a major milestone in the fight to end polio this year with Africa declared polio-free. Remember we are close to the finish line, and can't let up until the world is polio-free.

October 24<sup>th</sup> is also Arkansas's drug take-back day. I know a lot of clubs that are working with the local police and sheriff's departments to assist in this important mission. I hope you will find ways to help and assist the initiative to help curb substance abuse and prevent accidental drug overdoses. This is a major problem in Arkansas, and we need to do all we can to help.

I have met with about half of the clubs in the district so far, and I look forward to more visits in October. This is the best part about being your District Governor, getting to meet the Rotarians in the district.

One final thought for October : Please get out and VOTE! This, like all other elections, is an important one. We will choose who represents us for the next four years. Remember, if you don't vote, you can't complain about the results.

Have a great October!  
Mike Bennage

### District 6150 Admin Corner

World Polio Day is October 24

How to Take Action:  
HOST

- Organize a community event with club members, friends, and family members to observe World Polio Day. Invite local media representatives, officials, and other leaders to participate, and use the opportunity to introduce them to Rotary.
- Create a fundraiser to collect donations for Rotary's PolioPlus Fund. Every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation.
- Register your event and tell us how you're participating with the global Rotary community.

#### WRITE

- Propose a story about World Polio Day and your club's contributions toward eradicating polio to your local newspaper and other media outlets. Submit your World Polio Day event to the calendar section

- of local publications or newsletters.
- Send a letter about the importance of ending polio to the opinion or features editor at local media outlets.
- Write to your government officials and ask them to continue supporting polio eradication efforts.

#### SHARE:

- Use the sample posts from the World Polio Day Toolkit on your social media pages.
- Use the #EndPolio and #WorldPolioDay hashtags to follow and join the global conversation on social media.
- Follow @EndPolioNow on Facebook & Twitter, and visit the World Polio Day page on [endpolio.org](http://endpolio.org) for updates.
- Use Rotary's Brand Center to create a People of Action social media post about ending polio that promotes your club's events. Just sign in, hover over Ads, and choose Online. In the options on the left, choose Fighting Polio.

#### VIEW

- Mark your calendar to watch the Rotary International Online Global Update on 24 October and share the event on your social media pages.
- RSVP to the Online Global Update on Facebook and see who else is participating.
- Get early access to see a downloadable program by registering your World Polio Day event by 15 October.

## ARKANSAS TAKE BACK

OCTOBER 24, 2020  
10 AM - 2 PM
