This Week's Program - December 7, 2021

What's new and how to use DACdb: Rotary Club/District Database Membership Software

DACdb is a powerful suite of software designed to make all the functions of member management easier. It helps the organization effectively communicate and engage with membership while making management of individual profiles, events and more as easy as a few clicks.

Fellow Rotarian, Sam Hummelstein will present information on DACdb to our club about the latest innovations and best practices in using this special software built by Rotarians, for Rotarians.

This program will be a hands-on demonstration. Prior to the meeting, please log into DACdb from your computer and make sure you have your credentials and bring your USERNAME and PASSWORD with you to the meeting. If you have never logged into DACdb or have forgotten your password, please create your password by selecting Forgot your Password on the login page and follow the prompts.

If you want to get a head start and download the app prior to the meeting, scan the QR code with the camera on your mobile phone. Your credentials to log in to your account on the computer or app are the same.

Don't worry. We'll help you at the meeting.

Don't Forget: Two Service Projects

Become One of Rotary's People of Action

We need people to be elves.

Rotarians will serve as elves at Christmas at the Park on December 8 from 5 - 9 p.m. Ten elves are needed for 2-hour shifts. Please be looking for a sign up sheet in your email next week. More information will be available at this Tuesday's club meeting.

We need people to ring bells.

In keeping with the club's goals of helping the homeless, Rotarians have an opportunity to ring bells for the Salvation Army's red kettle fundraising drive. Dana Kennedy will sign up volunteers at this Tuesday's club meeting.

Good News, November 30, 2021

Brian Rega carried the mic for Good News.

Brian started the good news. First, he announced that he was not **AI Poston**. Then he reminded everyone that today was Giving Tuesday. Whatever your thing is, make a donation.

Mark Morrow said that Shop with a Cop was this Saturday.

Norman Stafford promoted Helping Neighbors Food Pantry as a possible recipient of Giving Tuesday donation. He reminded us that the cost of food has gone up and there are lots of hungry people in our community.

Wes Eddington reported that Christmas Parades have started and urged members to go watch them.

Will Branch emphasized the importance of attending parades and giving to one's favorite charity.

Brenda Fasulo was glad to be sitting by **AI Poston**.

Sam Hummelstein said if it were not for **AI Poston** and band, he might not have met and married **Marilyn**. He encouraged everyone to attend next week's meeting where he will present the program on DACdb and the new mobile app.
