Attorney, entrepreneur, educator ♦ visionary. Each of these terms might be used to describe Kyle Parker, CEO of the Arkansas Colleges of Health Education. Kyle Parker ♦s Fort Smith roots have helped him to focus on the many paths to success in reaching ambitious goals. After graduation from Arkansas Tech University and the Franklin Pierce Law Center, his work has been a flurry of ventures ♦ any one of which might have satisfied an average person. These pursuits have deeply penetrated the legal profession, business, technology, education ♦ not to mention health care.

The latest venture into health care and education may be the most exciting and one holding the greatest potential for lasting impact in the region. Since Arkansas Colleges of Health Education was founded in 2014, Parker has guided the planning and construction of a campus including the Arkansas College of Osteopathic Medicine, the College of Health Sciences, student housing for medical students and the Village at Heritage which mixes residential and retail to support campus growth at Chaffee Crossing. Under his direction ARCOM will graduate its first class of DO physicians in May 2021. The Master of Science in Biomedicine will graduate its second class, and the ACHE School of Physical Therapy will welcome its inaugural class on June 1, 2021. The ACHE School of Occupational Therapy will join the other programs in 2022.

WLR Rotary Membership Drive

Two Teams are head-to-head in inviting new members to join. Team Goodwill and Team Project are leading the way each adding two members. Remember, now is a great time to ask people to join Rotary. Dues are lower (\$287) and they have no travel time to meetings.

You increase team size by inviting someone to join Rotary. Any invitee can come play on your team for the final Four Way Trivia challenge on March 3rd. See instructions below.

Egg My Yard!

West Little Rock Spring Fundraiser - Egg My Yard

Please help us spread the word around our community for our brand new Spring fundraiser! We will be filling plastic Easter eggs with candy and scattering around the yards the night before Easter so that little ones can wake up to an Easter Egg hunt. Rotarians will be needed to help fill eggs and to deliver and scatter on April 3rd. A sign up will be posted later. For now, please share on social media (posted on WLR Rotary's Facebook page), print and deliver around your neighborhood, share with your co-workers. Delivery is limited to Little Rock, West Little Rock, and North Little Rock. If all goes well, this may be a regular, and fun, fundraiser for our club.

The link to register for delivering is <https://forms.gle/WiAnhYwVZEw1kPSz6>. Payment is only accepted through Venmo @westlitterockrotary.

Four-Way Test

The Four Way Test of the things we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
