THE SKY IS THE LIMIT - AVIATION IN ARKANSAS

Jerry Chism is a native Arkansan, born and raised in Cabot, Arkansas where he still lives. In 1982, Jerry married his High School sweetheart, Kelly, and they have three children and nine grandchildren. He graduated from the University of Arkansas in 1984 with a Bachelor of Architecture degree and practiced architecture for 20 years, with 10 years as partner in his own firm.

A life-long interest in aviation led him to begin flying lessons shortly after graduating from college and flying soon became an addiction. In January 2004, he was able to turn his hobby into a career when he joined the Division of Aeronautics as Assistant Director. He was appointed to the position of Director by Governor Asa Hutchinson in 2015.

Jerry is a Multi-engine, instrument rated Commercial Pilot and Certified Flight Instructor, and flies the agency's Beechcraft A36 Bonanza.

He and Kelly enjoy spending time with their grand kids, riding their Indian motorcycle and flying their 1950 Cessna 170.

* Meeting held via Zoom.

Four-Way Test

The Four Way Test of the things we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
