This Week's Program August 5, 2020

Kellie Wall and her husband started The Wall Agency ♦ Allstate in Sherwood in 2013 where she helped to develop a marketing strategy which enabled the agency to achieve the ranking of top agency in the Southern Region within that timeframe. She has been involved with the Sherwood Chamber ever since by participating in the Chamber leads group, sponsoring monthly luncheons as well as many other sponsorships to help promote the Sherwood Chamber.

After graduation from the University of Mississippi, with a Bachelor of Public Administration, Kellie worked for the Texas Attorney General's Office in the Child Support Division as an advocate for children and custodial parents in working with government entities and legal representatives.

She then moved to Arkansas and began working for Arkansas Senator Tim Hutchinson as a congressional liaison in military and veterans affairs for 5 years during which she worked directly with both Little Rock Air Force Base (LFAFB) and Camp Robinson leadership and public affairs staff. She also represented the Senator in town hall meetings and other events around the state. She continued in this same role for Congressman Vic Snyder until leaving to work in her family's rice mill in Stuttgart, Arkansas.

Kellie was a member of the Junior League of Little Rock for eight years serving on numerous committees as well as functioning as a committee chair for several special events and fundraisers. She has been involved with non-profits including Our House, Women and Children First and Dorcas House.

Kellie and her husband, Stephen, have three children and are active members in their church.

Word from the President

We are really excited to begin highlighting our local restaurants. Remember, this is not a fundraiser. This is a service project to assist our friends in the restaurant business who have had to change their entire business model recently to pay their staff and keep their doors open. I know many of them are struggling, so the goal with these weekly restaurant highlights is to remind you of a restaurant that maybe you haven't thought of in a while so you will consider patronizing them in the coming days. You're certain to receive a great meal and help them out when they need it the most. Bon appétit!

Four-Way Test

The Four Way Test of the things we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
