Beverly Parker - West African Project Fair and Polio Eradication in Nigeria

Beverly Parker has been a Rotarian since 2001. She is a PHF and has held various committee responsibilities within the Rotary Club of Jonesboro prior to becoming Club President in 2014-2015. Following her Presidential year, she began a 3-year effort chairing the club's Centennial Project which culminated in the opening of the Rotary Club of Jonesboro Centennial Plaza in 2019. She also served as District Trainer for 2 years.

In 2015, she traveled to Nigeria as part of a 10-day Project Fair in West Africa, which included participation in World Polio Day and Polio Eradication events.

Beverly's career is in nursing, having received a Bachelor of Science in Nursing from ASU and a Masters in Community Health from University of Southern Miss. Beverly retired in 2016 after 36 years in nursing and healthcare management.

This year she became a Master Gardener, and in March was asked to chair the Jonesboro Beautification Commission- just in time for Covid 19.

Four-Way Test

The Four Way Test of the things we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
