##### West Little Rock Rotary Community Service Connection SAVE THE DATE! CAMP ALDERSGATE FISH FRY

It's time to sign up to volunteer for the Camp Aldersgate Fish Fry.

The link for volunteer sign-ups is below. You can sign up on the google docs, sign up on a paper copy that will be at the in-person meeting, or email [stacyrob@arora.org](mailto:stacyrob@arora.org) with the time you would like to volunteer. It's extremely important that we collect the full information requested from each volunteer including name, email and phone number to ensure you receive any updated information that goes out before the event (safety guidelines, instructions upon arrival, etc.). I have also attached an informational flyer with some basic info about volunteer opportunities for this year and listed below are a few key details for your reference:

- **Volunteer Sign-Up Deadline: Friday, October 29<sup>th</sup>**
  - Please include name, email address and phone number
- All volunteers expected to **arrive to shift no later than 10:30 AM**
  - **WLR Rotary: Check-in at OrthoArkansas**
- Please inform a Camp Aldersgate staff member of **cancellations by Friday, November 7<sup>th</sup>**

Camp is providing two windows for volunteer shifts (full and half-day) because they felt it was extremely important to make volunteering at this event as accessible and inclusive as possible for our wonderful Rotarians who showed up and showed out last year! I understand that working a full-day shift isn't physically possible for some, and there may be others who have prior commitments overlapping with the event. With that being said, Camp really would like to encourage anyone with interest in volunteering to try and fill as many slots for full-day shifts as

#### MAKING AN IMPACT IN ROTARY'S SEVEN AREAS OF FOCUS

We will have a round table discussion on how we can make an impact in Rotary's 7 Areas of Focus. We will breakout into small groups and discuss how we as Rotarians can work with our community, city, and state to improve and serve in these 7 areas of focus. In this breakout session, there will be a moderator for each area of focus. Please brainstorm in each group about ideas that can help make a difference in each of these Areas of Focus. The moderator or selected spokesperson for each group will share these ideas with us at the end of the meeting. Our breakout groups will meet from approximately 12:15 to 12:35pm, then from 12:35 to 12:50, each group's moderator or spokesperson will share the ideas with our whole club.

Nancy did a survey at the end of our last year and listed below are the 7 Areas of Focus and what area of focus you expressed interest in. If your name is not listed, you may join any group that interest you or you have expertise or service. This list will also show you who will be the moderator for each area. We are planning on having zoom breakout rooms for each group and have asked each Moderator to bring their laptops so this can be achieved.

## Four-Way Test

The Four Way Test of the things we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
