### Good Morning

We're now headed into our fifth month of the Rotary year as the leave change and we settle into some crisp fall weather. We'll only have three meeting's this month as we will not meet on Thanksgiving day.

The third grade dictionaries are ready to deliver and we will be delivering them to the schools later this month. If you are interested in helping distribute the dictionaries please contact Kim Hunter

If you haven't yet filled out the [Rotary Club Satisfaction Survey](#) please do so. We would love your feedback so that we can provide a club experience that is in the interest of our members.

### Tomorrow's Meeting

Joe Kaar is our coordinator for the month of November and has set a theme for the month: Rotary 101. In that spirit we will here from speakers on topics that encompass Rotary and what it means to the community and the world. This is a great opportunity for our younger members to learn about Rotary and it can also provide a great refresher for our older members so if you don't attend any other month, this would be the one to attend.

This week we will hear from Joi Burton, Past District Governor of District 5790 (Fort Worth Area) who will be speaking to us about the International Projects of Rotary.

Joi Burton is the International Chair for District 6170. The International area of Rotary is the reason she joined Rotary in 1991. She has been involved with international projects all over the world since joining.

Joi was District Governor for District 5790 in North Texas in 2001-02. She was awarded the Rotary Foundation Citation for Meritorious Service in 2005.

She is a native of England, Arkansas and graduated from the University of Arkansas with a BA in Speech Therapy. She returned to Arkansas 6 years ago and now resided in Hot Springs Village.
