Stephanie Corso - Rotarian of the Day

Stephanie Corso has been married to Mark Corso for the past 34 years. They share 4 boys, 2 grandkids and a new one will be here in late September. She enjoys spending time with her family, fishing, cooking, meeting new people, traveling, and having wine with friends.

Stephanie graduated from Vanderbilt High School in 1973. She started her work career in the oilfield, then moved on to the dental field where she was office manager for Leonard Pizzolatto, III, for 18 years. While she was there she had always felt like she could be doing more for herself and her family. She had a job offer in the car business and stayed at Terrebonne Ford for 6 years. After leaving there she became an account executive for 3 Cord Solutions.

Stephanie was invited to a Rotary meeting 6 years ago by Katie Sims. She then realized her real purpose, that she could make a difference in our community. She started volunteering for everything and loved what we were doing: bringing Christmas presents to disabled children, distributing dictionaries to excited schoolchildren, being an Early Act and Interact sponsor, making nachos for the

TFAE run, planning an unforgettable Christmas party at the Jolly Inn. Stephanie says that being asked to serve on the Board was an Honor. "Our Club is the Best Rotary to belong to and I look forward to seeing all of you every week!"

Hunter Poencot -- Guest Speaker

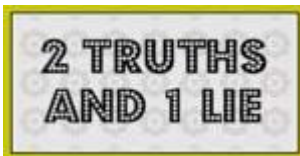

A true born and raised Louisianian, Hunter graduated valedictorian from Terrebonne High School in 2014 and then completed his degree in Kinesiology at LSU with a Pre-Med focus. The Cannabis industry was never on his horizon, but helping others always was.

In 2017 when his entrepreneurial-spirited brother Dylan approached him with an idea to open a CBD store, The Poencot Brothers had no clue where the journey would take them. Aurora began with the intention to make quality CBD products available to those in true need, such as their infant cousin Sophie whom suffered from a rare neurological condition. With a general understanding of the human anatomy and physiology, Hunter was able to carry over to Aurora what he learned at LSU and further this with self-education regarding both Cannabis and business.

Fast-forward four years down the road and The Poencot Brothers now own and operate four Cannabis specialty boutiques around the state of Louisiana and have humbly placed the responsibility of seeing the Medicinal & Recreational Cannabis industries grow and thrive in their home state as well as to bring awareness surrounding the immense benefits of industrial hemp in our industrial based heritage. Medical school is still on his life path, but cementing these industries into the Louisiana history is what's up to bat first.

Two Truths and One Lie!

It's time again for the monthly "Two Truths and One Lie" Contest (brought to you by the Fellowship Activities Committee) !

The contest involves reading THREE statements provided by a fellow Rotarian. The "panel" of three Rotarians is challenged to (1) identify the Rotarian the statements are attributed to, and (2) choose the one statement that is the lie about that Rotarian.

All in fun and fellowship!
