

Darryl Christen - Rotarian of the Day

Darryl Christen, local attorney, has been a member of the Houma Rotary Club since 1985 and has enjoyed various positions as Board member and past officer positions. He was introduced to Rotary by Emery Davis, a former member of the Club.

Through the years he has come to appreciate the many local, national, and international programs sponsored by the Club and Rotary International, and is proud to be a member of such an active organization.

Rene Claudet -- Guest Speaker

Rene Claudet and his wife Barbara are well known to the Houma Rotary Club members. After a career in the transportation business, this local entrepreneur purchased the Quality Inn in 2008 and was the weekly host for the Rotary Club meetings for several years. After selling the motel, Rene and Barbara concentrated on their 40 year long project of restoring the beautiful Bouveran Plantation home on LA. HWY 1.

The home was originally built in 1860 by Pierre Claudet, and has remained in the Claudet family since that time. Rene and Barbara have lived in the home throughout the construction, and have personally remodeled and restored it by their own hard work and dedication. The grounds include historic live oaks that are registered on the Historic Registry along with the home, and also include a meditation and spiritual area for personal reflection. The home has been featured in several magazines and broadcast news coverages.
