

### Rotarian of the Day -

Reuben C. Williams joined our club in 2004 at the invitation of Darrin Guidry. He is happy to be celebrating 50 years of marriage with my wife Dianne in December. Their two daughters (Allison and Jennifer) their husbands, and three grandsons all live out-of-state.

Reuben's hobbies include fishing, and doing Honey Do's for his wife and daughters.

"Rotary is an organization which helps people worldwide. At the same time I had reached a point where I felt I could contribute, as well as, realized how lucky (blessed) I have been and wanted to try to help make the world a better place."

### Guest Speaker - Dr. Chris Bonvillain

Dr. Bonvillain is an Associate Professor and Graduate Program Coordinator of Biological Sciences at Nicholls State University. He received his B.S. and M.S. degrees from NSU and his PhD from LSU. Dr. Bonvillain is an aquatic ecologist with over 14 years of research experience with Louisiana crawfish.
