Shane Golman - Rotarian of the Day

Shane Golmon joined our club in 2020 at the invitation of Jerry Ledet. Shane is a Vice President-Commercial Banker for b1BANK.

Shane is a member of Covenant Church of Houma. The non-cajun last name comes from Brookhaven, Mississippi, but he was born and raised in Terrebonne Parish. Shane married a cajun girl, Ashley Voisin Golmon, and they have two sons: nine-year-old Jackson and four-year-old Everette.

Shane's hobbies include spending time with family and friends and traveling.

"I have known of Rotary and what a respected organization it is for many years and knew some of the things that they were involved with, all which piqued my interest. Furthermore, with being a Christian and becoming a Father I always try to instill strong values to my boys: be kind to others, be willing to help others without expectations of praise or reward in return, to love others and themselves as Christ loves us all, to name a few. Rotary embodies these qualities and more, so what better way to teach than leading by example publicly and privately."

The idea of **branding** has turned into a buzz word among entrepreneurs and organizations alike. However, Personal Branding is a tool that equips professionals with confidence and clarity in who they are and the value they bring. Gaining understanding into your own personal branding will help you communicate, advocate, and elevate to the next opportunity. It also helps others know you better, see your vision, and want to join along.
