July 22, 2021 - Club Assembly

This week's meeting will be our annual Club Assembly where President Kevin Caswell and the board of directors will review the plans and goals for our club's 101st year.

Recap of July 15, 2021 Program - Mr. Rob Perillo, Chief Meteorologist at KATC-TV3

Mr. Rob Perillo, Chief Meteorologist for KATC-TV3, was the July 15, 2021 guest speaker. He provided information on the record hurricane season that Louisiana experienced last year with Acadiana being in a cone for 29.5 days from 6 tropical systems. He gave a video presentation that plotted the hurricanes from last year, radar and rainfall numbers for Hurricane Laura and Hurricane Delta, related information that provided two models of wind gusts, and damage to the coastal area from Pecan Island through Lake Charles. According to Mr. Perillo, the 2021 forecast predicts 21 storms with 4 major hurricanes. Information was also presented on the new KATC-TV3 350,000-watt radar system which is anticipated to be operational by the beginning of August. A question and answer period followed Mr. Perillo's presentation.
