July 7, 2020

*Next week's meeting will be showing members how to connect to the DACdb mobile app and things you can do with it.*

Guests: No guests were in attendance today.

Today's meeting was the club President Sam and her plans for the coming year.

**ANNOUNCEMENTS:** First adopt a highway pick up for the season is July 26 @ 8:00 am. With a meeting place at Candy Ford. The second pick up for the year and the last one is on October 4th at 8:00 am at Candy Ford. Please contact John Newland @ [jhnewly@voyager.net](mailto:jhnewly@voyager.net) to sign up.

Also, if anyone is interested in the old chairs that have been replaced with nice new ones at the Temple. They are selling the for \$5 for two chairs. See Ed Foster if you are interested

Sam spoke to the club regarding her goals. Her major one it to increase membership and she and Don Sovey are willing to help members propose a new member. She is amazed at how great our club is especially in these pandemic times.

She will try to get information out to the members out as quickly as possible.

As far as projects are concerned, John mentioned the Adopt a Highway project on July 26<sup>th</sup> and the Duck Race is only eight weeks off. Not sure on the Golf Outing, but Jerry Sommer is working on it.

As far as programs go, Tyler Pray is the one who is in charge of programs for the year and is the one who you need to let know what your program is going to be. We will try and get the assignments out to all the club chairs at least a month ahead of time.

Not sure if we are going to be able to have our annual reverse raffle this year, but we will keep members posted on it. We may have to resort to some smaller projects. If that happens, we may send out a survey as to what members would like to do.

I want to thank all the members for your support of my business during this pandemic. You have all been extremely helpful.

If you need to get in touch with me, you can send me an email at [samanth\\_adavis@yahoo.com](mailto:samanth_adavis@yahoo.com). You may not get an answer until late at night as that is when I can get to my computer to check emails. If you need to get in touch with me sooner, you can text me at 269-420-3962.
