April 30: Virtual GLARC meeting (Zoom) - Speaker Denny Stults – Visiting Angels

Thursday April 23

We had a virtual club meeting on Zoom. 24 people attended. Our speaker was Laura Lutterbeck from Junior Achievement. JA's goals are to work with students K-12 to improve workplace readiness, encourage entrepreneurship, and develop personal financial management skills. This year JA had 23 programs in Gull Lake elementary schools. (Our club is a contributor to Junior Achievement). Now, with the COVID19 situation, JA is providing at-home materials and activities.

District Governor Margie Haas gave us an update on District 6360 news. The District Conference will take place as a virtual (Zoom) conference later in May, date TBA.

Raph Rittenhouse, Gull Lake Schools Superintendent, was inducted as the newest GLARC member.
