12/29/20-Holiday Party

By Gene Klco on Wednesday, December 30, 2020

December 29, 2020

- Attended by 17 Members/Associate Members

- No business was discussed
- After some general talk, we moved to the party game
- 2 Truths & 1 Lie
 - Each person told three things about themselves
 - Two of those were true and one was lie
- Paul was keeping score as to who got the lie correct the most often
 - Narda Murphy had the most correct guesses at 9
 - Jim Miller was second with Jim Conroy third
 - Paul will be presenting Narda with a Chocolate Mix package
- Two people had no one guess their lie correct
 - Gene is NOT an MSU grad
 - Jim Conroy did NOT sleep through a tornado on a camping trip
- Some interesting things that came out:
 - Bob S made nitroglycerin in college, but kept it from blowing up
 - Earl was an All State wrestler in HS
 - Narda started college at 16
 - George was top of his HS class, but it was a very small class
 - Paul had a lady pinch his butt in his Santa suit at the U-Club one year
 - Raj hit a seagull with a golf ball that killed it
 - Elgar didn't go to OSU (oops, that's a lie)
 - And many more that I can't remember
- The 5th-Way test was accomplished: **We did have FUN!**
