SkyDive For Polio

From Noel Jackson, PDG

Last week District 6400 lost one of its HEROES, Shiva Koushik, our Polio eradication leader and our District Governor, Aruna Koushik's, husband. Approximately 8 years ago, Shiva and I (with collaboration with my wife, Debbie, and Aruna) started "Skydive for Polio." The idea was to raise awareness and pledges for Polio eradication. Fun and service- a powerful duo!

This year Skydiving is on **September 11**, we will take your pledges to honor the memory of our dear Shiva and dedicated to the Polio eradication efforts. Shiva and Aruna led amazing efforts in Nigeria, Afghanistan, Pakistan, and India. Shiva was a recipient of the Rotary Foundation Service Award for a Polio Free world. Shiva's efforts through skydive for Polio with the Gates match, has raised over \$200,000. We currently have 4 divers and there is not an after-party. Supporters welcome to come watch!

Please click the link below to pledge- any amount is helpful and all contributions are applied to each person's Rotary Foundation Contributions. Remember- your pledge will be matched 2:1 by the Gates Foundation. Donation process specifics will be sent to those willing to donate!

In honor of my friend and mentor, Shiva Koushik- a man who made the world a better place, I thank you.

Heritage Festival Booth

Your Tour de Ville Committee is hard at work to give us the most exposure for our 8th annual fundraiser!

We have a booth in the Heritage Festival this year. We will have a tent, table and chairs, a couple of bicycles on trainers for people to "ride" in the booth and a simple game to engage people as they stop.

The booth hours are 5-9pm on Friday and 10am-5pm on Saturday.

We can use your help!!!

I have attached a signup link so it's easy to select a shift that is convenient to you.

Tour de Ville Needs

We're now less than a MONTH from Tour de Ville! Your Tour de Ville Committee is working super hard and we're confident this will be a phenomenal event on October 2nd. But we need some help and looking for some Rotarians to lend a hand.

1.) Typically we have SAG vehicles from Tom Holzer but not this year due to the chip shortage. We're hoping a THREE Rotarians either have a pick-up truck or sprinter van that will volunteer to be a SAG wagon on October 2nd. Your job will be to pick up our riders who need to abandon the ride for whatever reason (bike maintenance or bit off more than they can chew).

2.) We need FOUR tailgate style tents for our rest stops on the routes.

3.) We need at least FIVE Costco 6' utility tables for registration.

4.) We are in need of a children's bicycle trailer. The one you sit on or two kids in and pull behind a bike. Please text me at the number below to make arrangements if you can help out. Ideally, I could pick it up ASAP, or next Wednesday, Sept. 15. We are going to turn it in to a mini float with signage for Tour de Ville.

Please let me know if you can help with any of these needs. Much appreciated!
