Rotary Round-Up

A between-meetings collection of what's happening with our Club, our District, and Rotary International

In Case You Missed It

At our September 14 meeting, German Reyes and DJ Boyd gave a presentation about their visit to Michoacán, Mexico, where we utilized our Foundation funds and a matching District grant to supply the library at the local elementary school. An edited version of their presentation is available online, for those who missed it or were unable to experience it fully. (Unfortunately, and with sincere apologies to our Zoom participants, the audio was wonky and the Zoom/recording did not pick up DJ's microphone.)

Bennett Arboretum Clean-Up

Saturday, September 25

The Northville Township Beautification Commission is asking for volunteers to help clean up the Bennett Arboretum Pathway ♦ living ♦ retaining walls (adjacent to Sheldon Road between Six Mile and Seven Mile) on Saturday, September 25, from 9AM to NOON.

This popular non-motorized pathway is well traveled by walkers, joggers and bikers. Volunteers will be pulling weeds and adding mulch to the retaining wall bricks. Beautification members will be available to help volunteers identify weeds and will also be working to beautify this portion of the pathway.

If you can volunteer some time for this worthwhile cause, please contact Jennifer ASAP at rcnpresident@gmail.com or Beautification Commission Chairperson Lynne Mosteller at northvilletwpbeautification@gmail.com.

Volunteers are asked to bring their own garden tools and work gloves, refuse bags will be provided. Long sleeved shirts, long pants and closed toed shoes are strongly suggested! We appreciate family help, but please no children younger than middle school age. Bike, walk or drive and park in the Farmer's Market lot then cross to the pathway entrance at the SE corner of Seven Mile and Sheldon.

Thank you for any help you are able to offer!

Free Bikes 4 Kids

Saturday, October 2

The Free Bikes 4 Kidz bike collection day is finally here! On **Saturday, October 2 from 9a-2p at Home Depot locations across Southeast Michigan** you'll have a chance to clear out some space in your basement or garage while you help a child pedal towards a happier, healthier childhood. Donate that used, outgrown bike(s) at any participating Home Depot store (click [here](#) to see the locations) and share the news with friends and family on social media and word of mouth.

Help change the life of a child and keep your old set of wheels out of the landfill - it's a great feeling to give a child the freedom of a bicycle. Every kid deserves a bike!

Rotary International - Peace Building

This month Rotarians have 2 extraordinary opportunities for Peace Building.

1. Support RI President Shekhar Mehta when he speaks, September 30th, at an International Summit on Nuclear Weapons. Register now: www.ippnw.org/eliminating-the-threat
2. Watch this 3minute video https://drive.google.com/file/d/1iKi1mj0LYunuWkJTWeVI4tVRxPOrI_P2m/view . When the Council on Resolutions meets in October, ask your District Representative to vote YES to the resolution asking Rotary International to endorse the Treaty for the Prohibition of Nuclear Weapons.

Please act today.

Thanks

Thanks to everyone who volunteered at the Heritage Festival last weekend, both riding/walking in the parade and running the Rotary booth on Friday and Saturday.

CHANGE across the globe, in our communities, and in ourselves.
