Zoom virtual meetings have been a great tool for the club for many months. Now that we are meeting in person, there are few and sometimes no Zoom participants. Zoom meetings will be commenced for a meeting if people advise President Tom by 9AM the day of the meeting. Send him an email by [clicking here](#). The meeting information is static and you can pick it up by clicking Read More at the end of this story but remember the Zoom meeting will not be started unless you advise President Tom in advance.

New Weekly Feature Story

A new feature story titled "Meet A Rotarian" will appear regularly in the bulletin. A short story about a member of the club will be presented along with a photograph or two. Hopefully, you will learn more about your fellow club members. Please take a few minutes and write your story. Send it to [Morgan Seabloom](#) by clicking on her name and attach any photos.

The first story is written by our illustrious president, Tom Foley. Be sure to read Meet A Rotarian.

Meet A Rotarian - Amelia Kay Zielke

Amelia Kay Zielke, a hometown girl, has had a lot of change this year ♦ she ♦s a new Rotarian, has a new job as the Employment Specialist at KCCDD and is a recent graduate and her dad ♦s legacy from Knox College. She ♦s never met a stranger and enjoys making connections with new people, learning their personal stories and creating relationships. Amelia is the proud mom of her beautiful daughter, Lyric Welty, who is also a 2021 graduate, graduating from Samford University in Birmingham, AL. Amelia admits to loving sweets and hating to work out. One thing that most surprises people about Amelia is that despite her appearances as all things girly girl, she ♦s only lived in town the past six years and is a country girl through and through! She currently lives in Galesburg with her significant other, Nick Palmgren and their two tiny, but mighty, long haired chihuahuas, Buddy and Bowie (named after David Bowie).

Galesburg Sunrise Ball Drop

Help the Galesburg Sunrise Club surpass last year's \$9,500 total funds raised with its golf ball drop. Chances are \$10 each and the prizes for the closest to the pin are \$1,000, \$500 and \$250. Ball Drop Chair George Burgland recommended that people buy a chance and list the purchaser's favorite charity as the winner. The ball drop will be at Rotary Park on September 18 at 1:30pm. Contact George at 309-368-1481 to purchase your chances to win. Sponsorships are also available for \$100.
