August 31st is Show-Off-Your-Zoom-Virtual-Background Day

By Marlys J. Scarbrough

We have been meeting virtually for months. Some members let us see their homes or offices in the background, and some have experimented with offering us interesting virtual backgrounds. This coming Monday we will have an informal contest to see who has the best virtual background during our meeting. Zoom has some stock backgrounds to select from or you can use one of the photos you have on your computer or phone. How to do it, you ask? Well, there are lots instructional materials and videos on the web, but [here](#) is one brief video with basic instructions if you are using a desktop computer.

Target Date for In-Person Meetings: October 5, 2020

By Marlys J. Scarbrough

If coronavirus case numbers are stable in our community and the state, we hope to return to in-person meetings at the Round Barn Center on **October 5th**, meeting in-person just once a month to start. Social distancing, masks, and other safety measures will be employed. Reservations and advance lunch payments will be necessary. A letter will be sent to all Rotarians a couple of weeks before this date with the details. We will continue to Zoom our meetings even when we meet in person.
