For those of you unable to make it to our Friday morning meetings, here's another opportunity to be a part of Fishers Rotary. All are welcome!

This is not a new club, rather it's an extension of Fishers Rotary. We meet at [Balmoral House](#) in Fishers monthly.

Our next satellite meeting will be **Tuesday, July 30 at 5:30**. Our speaker will be Aili McGill. Aili is the director of Nickel Plate Arts which is a county wide arts organization. She'll have lots to talk about relative to all of the arts efforts throughout Hamilton County and Fishers.

From Michele: *"The garden is finally starting to look like a garden! Thankfully it made it through the heat wave this past weekend!!! This is a great week to get out to the garden and get some work done! If you can please come out and help weed, plant seeds, and possibly put up chicken wire."*

*"Thank you for all of your help! The food pantry appreciates everything bit of produce we are able to raise!!"*

Rumor has it the bees may be helping...the yield thus far has been impressive!

Watch your email for the latest next steps and needs for the garden, but know that weather permitting there is work needing to be done

every week throughout the growing season.

To find out more about our schedule and how you can help, please contact [Michele Whelchel](#) or just join us on Saturday morning at 7:30:

**Check out these recent results:**

Over 7,500 lbs produced and more than 1,000 families fed since 2015! In 2018 alone the Fishers Rotary Community Garden produced 28,403 servings of fresh produce that not only fed families but was life giving!

## Rotary Leadership Institute

Rotary Leadership Institute

The next session of the Rotary Leadership Institute will be on August

24, 2019.

RLI is a series of fast-paced, interactive, one-day courses offered to increase a Rotarian's base of knowledge in Rotary and strengthen their leadership skills. The courses are fun, topical, and geared toward active Rotarians who want to be more effective leaders in their clubs.

[Learn more about RLI](#)

Go to [www.hoa-rli.org](http://www.hoa-rli.org) and select the RLI Events tab, then the correct session and date for District 6560. All sessions, I, II, and III are taught on the same day so you will select the next one in the series as you complete them over time.

## From our Partners at Ascent 121...

***"You can't go back and change the beginning, but you can start where you are and change the ending." CS Lewis***

The teen survivors Ascent 121 serves often times have suffered extreme traumatic physical and sexual violence that results in layers of hidden wounds. The emotional and mental effects can be persistent and devastating, taking a long time to heal from the abuse. This is why Ascent 121 offers a continuum of services in addition to special therapy options to complement the healing journey of each survivor's unique story.

Kids in the Impact program complete an eight week equine therapy program. These sessions are designed to work on critical life skills such as addressing fear, using your voice, establishing boundaries, and creating trust. The clinical team celebrates the survivors' skills learned through these sessions and seeing them be put into practice through other aspects of their recovery journey.

Art therapists visit with kids in the residential and aftercare programs to use art as a creative way to express their feelings and share their stories in a non-invasive way. This often feels safer and less threatening for the kids.

Please consider supporting Ascent 121 in their ongoing effort to offer special therapy options by investing in their mission:

- Become a \$25/mo Ambassador and receive a CD by local performer, Donna Howell, singing well-known pop and Christian songs, OR
- Order a special edition Ascent 121 summer t-shirt July 8<sup>th</sup>-21<sup>st</sup> through Bonfire: <https://www.bonfire.com/ascent-121-t-shirt/>, OR
- Donate at [www.ascent121.org](http://www.ascent121.org) or text- @121 to 52014

Not only is another person a victim every 30 SECONDS, but the International Labor Organization estimates there are 4.8 MILLION people trapped in forced sexual exploitation worldwide!
