Fishers Rotary Meeting via Zoom Until Further Notice

All Fishers Rotarians should have received an email from President Jim Wolf with the information for our weekly Zoom meetings. Please note that a passcode is required to access the meeting. While the Zoom information is provided on our public website, the passcode is not, and guests are asked to contact a Fishers Rotarian for that information if they would like to attend (and guests are still very much invited to attend!).

Please watch your email and this newsletter for occasional passcode updates to ensure you have the current information.

Just log in at:
<https://us02web.zoom.us/j/81425178566?pwd=YXgySUI1V3oreVp2b0ZSbDla2ZZU09>

Meeting ID: **814 2517 8566**

Passcode: **048523** [this passcode is for security reasons and therefore not published on our website]

To use your phone for audio, call: +1 646-876-9923

We hope to see you online on Friday!

This Week's Program

September 4: Dale True - Indy Honor Flight

The mission: To transport America's Veterans to Washington, D.C. to visit those memorials dedicated to honor their sacrifices.

Indy Honor Flight is a non-profit organization created solely to honor Indiana's veterans for their service and sacrifice. Top priority is given to the oldest veterans. Our goal is to get the most senior veterans to visit the memorials built for them before it is too late. We also give priority to terminally ill veterans.

AFRICAN REGION CERTIFIED WILD POLIO-FREE

Rotary International is pleased to announce that the [African region has just been certified wild poliovirus-free](#).

Rotary members have played an invaluable role in the effort to rid the African region of wild polio. We should be proud of all the hard work that we've done to eliminate the wild poliovirus throughout Africa and in nearly every country in the world.

Rotary International President Holger Knaack and Nigeria National PolioPlus Chair Dr. Tunji Funsho congratulate Rotarians on eradicating wild polio in the African Region. [Watch here](#).

Youth Mentoring Initiative

Youth Mentoring Initiative will begin recruiting new mentors after Labor Day.

YMI is looking for caring adults in the Fishers community to commit to a school year and spend one hour out of their week to mentor a student while they are in school. One hour of your time each week will make a difference in the life of a student.

If you would like more information about YMI and their mentoring program, please visit [Youth Mentoring Initiative online](#) or contact YMI's executive director, Alison Gatz at alison@ymionline.org.

Fishers Rotarians in the News!

Our own **Susan and Steve Leonard** are quoted in the September issue of the Rotary magazine!

[Rotary Fellowships](#) are international interest groups for Rotarians that represent just about every type of passion and hobby you can think of. Rotary magazine will be featuring different Fellowships throughout the Rotary year, and for the month of September the international fellowship of Birdwatching Rotarians was featured.

As you may recall the Leonards are very active with the Birdwatching Rotarians. On pages 20-21 of this month's magazine, you can learn all about the Fellowship and enjoy a couple of quotes from Susan and Steve. Way to go Leonards!

For more information about the more than 90 Rotary Fellowships that currently exist, check out rotary.org/en/our-programs/more-fellowships.
