Winter Coat Drive

The [Rotary Club of Fishers](#) has launched a winter coat drive to help Hamilton County adults and kids in need!

The coats will be given to [Good Samaritan Network](https://www.gsnlive.org/) for distribution to men, women, and children throughout the winter months.

The 110 member Rotary club is working in partnership with the [Fishers Parks and Recreation](#) department who will provide the drop-off points and promote this important collection drive to the Fishers community.

Need: Gently-used men's, women's and kid's winter coats. Hats, gloves, and scarves are welcomed as well and will be put to good use.

Dates: Nov 16th to Nov 30th

Drop-off: Fishers Police Dept and Fishers City Hall look for collection bins

Please check your closets and give the gift of warmth this season!

Message from the President

We have an urgent need for a leader to step up and help run the Golf Outing (Fundraiser) that we were set to host this last summer. There is a committee that is willing to help and has done a majority of the work, but we need a leader, or co-leaders to organize, implement and deliver on the event.

Sponsors from last year may still help us this coming year. Most of the logistics have been discussed and can be easily interpreted and passed on. Many players were already signed up, so the committee would just need to go back to them and get them on board for 2021. The committee would also need to collaborate with the city to see if they want to join us. All these things are laid out and easily transferred over to the new leader(s).

If you can possibly look at your schedule, find some time to commit and dig deep into our motto of "Service above Self," please let me know as soon as the end of this week if interested or if you can help. Even if you have a small interest and need a co-leader, let me know. We'll see if we can get 2 people from the club to push this event over the top.

Remember, the majority of the proceeds for this event were going to help with Mental Health here in Hamilton county. With Covid cases increasing, schools going virtual, job-related layoffs, no Water is Life Gala, etc., I think we all know that mental health is going to be a serious issue in our community. Please step up if you can and reach out to me to express your interest to help.

Thank you for your time, your talents and your treasure this year. It's a very tough time for many people in our community, in the United States, and around the world. A small bit of fun and fundraising will go a long way to help those struggling.

Member Dues Due!

Member Dues

You should have received your semi-annual dues statement from Treasurer Mike Peterson earlier this week. In order to report accurate and timely information to Rotary International, **Mike needs to have all dues payments received by Monday, December 7th.**

Since we are still unable to meet in person prior to the **December 7** due date, you will need to mail your semi-annual dues payment of \$100.00, payable to Rotary Club of Fishers, directly to Mike in advance:

Mike Peterson
11445 Lake Stonebridge Lane
Fishers, IN, 46037

Please let Mike know if you have any questions or did not receive your statement. Mike's email address is map11445@gmail.com

Semi-annual dues of \$100 are assessed every June and December. Remember, this is also a great time to go ahead and add a little something extra onto you dues as a contribution to the Rotary Foundation!

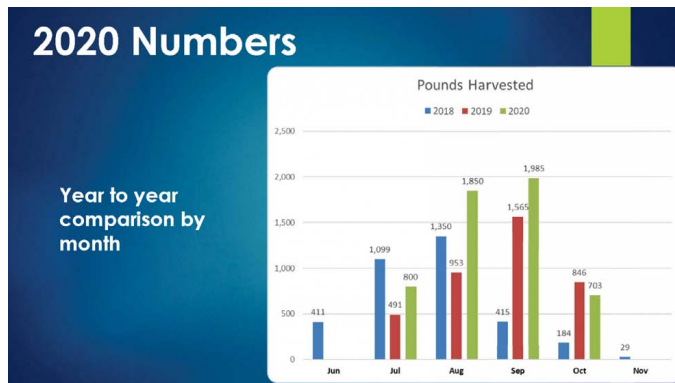

As an additional incentive, the District is matching up to \$5,000 for donations this month (it's Foundation Month)! Anyone wanting to take advantage of giving to the Rotary Foundation can get double points...up to \$500 match from our Club and up to \$5,000 match from the District! A minimum \$100 donation is required.

Simply add your donation to your dues payment and note in the memo that the money above your dues amount is for the Foundation. Mike will take care of the rest!

Remember, **dues payments and donations must be received by Mike by December 7th!**
