### PROGRAM:

MARTI GUTWEIN has enjoyed her year as President and believes we have increased our visibility in the community as well as maintained our involvement with community service. She passed the gavel to incoming president BOB STOLZ who outlined his "2020 Vision." One primary goal is for Lafayette Rotary to become more involved with international projects as well as Rotary Youth Exchange. It has already been decided that we will support six students to attend Rotary Youth Leadership Awards training next spring. Another important goal is to sponsor and support an Interact Club at the Northend Community Center in Lafayette. This gives our members the opportunity to provide mentoring to

students with the goal to develop their leadership skills. BOB has plans that will require engagement and effort on the part of each Rotarian.

His goals present a challenge, but also an opportunity to strengthen our organization.

### BIRTHDAY TABLE:

Thanks to the July birthday celebrants who contributed in excess of \$2000 to our foundations.

### HIGH FIVE:

To ELSA JANLE for being the first member to speak about what Rotary means to her for our "Member Minute." ELSA mentioned several skills she has learned from her Rotary experience such as managing organizational finances by serving as Treasurer and Assistant Treasurer. She served on the publicity committee and even had the opportunity to appear on TV 18. Serving on the Board of Directors was interesting and informative. Rotary means a lot to her and she will miss us when she moves to Iowa.

### FOND FAREWELL:

SUSAN HYCHKA and husband Steve will be moving soon. Their new address is: 4195 LaPurissima Dr, Las Cruces, NM 88011. Best wishes in your new home and do come back to visit when you can!
