Our Social Committee prepared a Rotary Round Robin activity that allowed members and guests the opportunity to have short one-on-one conversations. Some of the topics related to Rotary, such as "name a Rotarian you admire" and some were more general, such as "if you had \$1000 to give to a charity, what would you do with it?" It was all in good fun and helped to "Build Goodwill and Better Friendships."

LTHC HOMELESS SERVICES DONATION:

Thanks to YOUR generosity as well as a grant from

District 6560, we donated \$10,000 to LTHC Homeless Services for their new Engagement Center. Jennifer Shook was on hand to receive the

check, presented by President BOB STOLZ. This new facility will truly help the neediest in our community and enable LTHC to provide services in an efficient manner. Thanks again, Rotarians!

Collection of items will take place in September with delivery to the location in October.

THE ROTARY FOUNDATION:

District 6560 officers and several club representatives met last week to strategize raising \$430,000 estimated to be needed to receive the matching funds for next year's international projects (half of our gifts is returned to our district and the clubs oversee its use.) Many clubs have 40% participation of their members contributing enough to make up \$100 per member by giving \$250 per contributor. We have given at 30% this last year which is an improvement from 27% a year ago. If 4 or 5 of our members continue to give \$1,000, then our contributors would need to each give \$200 if 15 new contributors joined them. If every member gave \$100, we would not need our current givers to double their contribution. The only way to success is to have your heart in it, for your brain will rationalize that Rotary has lots of money, that my \$100 counts very little and the majority don't give.
