**Program Update - June 17th**  
**Scott Olinger**  
**Plainfield Schools Superintendent**

Fellow Rotarian Scott Olinger updated our club last week on many things related to the 2020-2021 school year. He shared that Plainfield Schools are returning to in-person classes the first week of August, their originally scheduled start date. He said that students will need to have masks with them each day but will not be required to wear them at all times. Scott further indicated that many of the schools' gyms could become cafeterias in order to better accommodate social distancing. He also stated that all six school districts in the county have coordinated their back-to-school procedures, but within their own academic calendars.
