### Pearls from Zig Ziglar

***“If you find a path with no obstacles, it probably doesn't lead anywhere.”***

***“Considering what experience cost, it should be the best teacher.”***

***“Experience is a different teacher, giving you the test first and the lesson after.”***

***“The highest reward for a man's toil is not what he gets for it, but what he becomes by it.”***

**Program Update - June 24th**  
**Natalie Brake**  
**Hendricks County Alliance for Diversity**

Natalie Brake visited our club via Zoom to tell us about the Alliance for Diversity. The Alliance envisions a county where all people are welcomed and encouraged to participate in the life and growth of the community. The HCAD is an all volunteer organization and has a fund at the Hendricks County Community Foundation. For more information, see <http://hcad.weebly.com>

**Program Update - July 1st**  
**Chris Spiers**  
**Plainfield Chick-fil-A Operator**

Chris Spiers, the Operator of our Plainfield Chick-fil-A, shared his history with the company and with the Plainfield location, which he has turned around over the last 15 years from one of the company's poorest performing stores to consistently being in the top quintile of performance. He also shared some of the stories of his staff being kept on the payroll when his store was shut down for its recent renovation. They continued to be paid as long as they logged volunteer hours in our community. Chris further discussed the normal challenges of being in the food service business and the added challenges due to COVID-19, including staffing and supply chain.
