Program Update - Oct. 14th Club Assembly & Plainfield Teacher of the Year Ceremony

At your club's October 14th Board meeting the decision was made to add Classification presentations to future Club Assemblies. A Classification presentation is something that a member makes to better acquaint other members with his or her professional/work, family, academic, geographic backgrounds, hobbies, etc. Basically just telling the club more about themselves... They typically last 5-10 minutes or so. The term Classification has been used in Rotary for generations as a reference to a member's profession. Its description is shown on each member's Rotary badge worn at meetings. We will begin the Classification presentations during our November Club Assembly on November 11th. A section of the bulletin now shows the schedule for the Classification presentations.

The annual Plainfield Community Schools Teacher of the Year ceremony also took place on October 14th. Because of the very unique needs caused by the pandemic, Plainfield Schools made the decision to honor all faculty members in the district for their determination and dedication in responding in the best ways possible to continue instruction under suddenly changed circumstances. One teacher from each school building was chosen to attend the ceremony to represent their colleagues. Our club has been a part of this ceremony for more than 25 years and was well-represented at

this year's event, as we briefly honored our late member John Himmelheber, who had been the liaison between our club and the Plainfield Schools Teacher of the Year award for many years.
