**Program Update - Oct. 21st**  
**Tracy Ballinger, Director**  
**Plainfield Imagination Lab**

Our club's good friend Tracy Ballinger, Director of the Plainfield Schools' Imagination Lab, visited us on October 21st to give an update on how things were working at the lab in the era of COVID-19. Odysseys are taking place this school year, but at a reduced rate, and with no outside volunteers assisting. Classes are kept together when they enter the building, not moving from room to room within the lab, as they previously had done, to limit contact between students from different buildings. Tracy will keep our club informed as to when our club's lab volunteers will be able to return.

Tracy also spoke briefly about the Imagination Lab's 3D printing projects during the quarantine period, creating face shields for Hendricks Regional Health staff and maze-type puzzles for students. Plainfield Rotary provided funding for the maze project. See picture below.
