Program Update - May 5th

John Baer

Club Secretary & Two-time Past President

Our fellow Rotarian John Baer provided the club a delightful and informative presentation on May 5th of the history of Cinco de Mayo. He shared that this observance of Mexican culture is NOT Mexico's Independence Day. It is a holiday that celebrates the date of the Mexican army's May 5, 1862 victory over France at the Battle of Puebla during the Franco-Mexican War. The day is also known as Battle of Puebla Day. While it is a relatively minor holiday in Mexico, in the United States, Cinco de Mayo has evolved into a commemoration of Mexican culture and heritage, particularly in areas with large Mexican-American populations. John also shared other interesting facts about the month of May. Muchas gracias Senor Baer!
