Lorain Rotary Club

President's Letter

Dear Rotarians,

February is upon us, but it's not a Leap Year, so there are only 28 days. We will celebrate Groundhog Day, Valentine's Day, Presidents' Day and Black History Month. The 55th Super Bowl battle between the Kansas City Chiefs and the Tampa Bay Buccaneers (Patrick Mahomes and Tom Brady) should be exciting to watch. Our fundraising committee was able to coordinate a quick sale of football squares in a very short period of time. We will give away \$1000 and our f will benefit future community projects.

February is also Rotary's *World Understanding Month*. Rotary is an international organization that strives to build relationships and connect people of all cultures uniting them to take action creating lasting change. May we continue to learn from others while "Rotary is working to create experiences where all people are welcomed, respected and valued." (rotary.org)

You can start changing our
world for the better daily, no
matter how small the action.
