RYAN MCCALL - MARION TECHNICAL COLLEGE PRESIDENT

Dr. McCall serves as Marion Technical College's President and has been with MTC since 2016. Prior to joining MTC, Ryan spent nine years at Southern State Community College in Hillsboro, Ohio, in various roles including Dean of Students, Director of South Campus, and Vice President for Academic Affairs. He also taught Human Biology on an adjunct basis. Dr. McCall earned his Ph.D. in Higher Education from Ohio University, a M.S. degree from Morehead State University and a B.S. from Shawnee State University. Ryan and his talented wife, Rachel, and their two energetic boys are proud to call Marion County home for the last four years.

Recently, Marion Technical College completed an economic impact study in conjunction with our 50th anniversary of the college to determine the impact MTC has on the business community and the benefits the college generates in return for the investments made by our key stakeholders – students, taxpayers and society. We know MTC plays a key role in helping students increase their employability and their individual potential, but our impact is so much more. MTC influences both the lives of its students and the regional economy. This presentation outlines the various impacts in MTC's seven-county area in terms of both economic impacts and investments in the community.
