President Elect Melanie asked me to send out the Program Schedule for the upcoming July 2021-June 2022 year.

A virtual option will be provided in case you can't make it in person.

Please take a moment to review & let me know which dates you would like to provide a Program.

Here's some ideas for Programs:

- Show & Tell of a piece of Equipment/Device or Service that your company provides.
- A Colleague/Vendor that provides a Product/Service to your company.
- A Hobby you have that we don't know about (auto racing) I'm working on a Shopice visit (Shopice - made up word for Shop & Office)
- Trip to a favorite place you and your family like to visit (Metroparks/Crushers Stadium/Common Ground/Volleyball or Cornhole in your backyard)
- Fundraiser/Event to support your fellow Rotarian (Changing of the Guards - June 25, President Elect Melanie's Picnic - July 2nd, Oberlin Business Partnership's Comedy Night, Oberlin Heritage Center's Trivia Contest)

Can't decide? Don't have time to plan ... Partner with another Member(s) to make it happen! Let's make this year **FUN!** without added stress because we know Too Much is simply **TOO MUCH.**

If you misplace this email, simply go to Rotary Club of Oberlin- oberlinrotary.org to see who's on deck at this week's meeting. And ... if you're running a bit late, this a "judge free" zone. We're just happy to see you & find out what you've been up to so don't worry ... just come in person or virtually.

Examples of our definition of a Service Project: Stuffing backpacks for back to school, organizing files, shopping for donations (food, supplies, etc)

7/2/21 - 12PM - 2nd of July Picnic at the Home of President Melanie Satterfield

7/9/21 8AM - Breakfast - Valor Home - Supporting Those Who Serve

Monday, July 5, 2021

Valor Home - <http://www.valorhome.org/>

Valor Home supports veterans and their dependents in their efforts to where to trade binary options achieve lasting self-sufficiency. Critical to this mission is the ability for individual veterans to find and retain permanent housing. To meet that need, Valor Home support is provided through intensive case management and access to community resources, and reflects the individual needs of those served.

Sandra Wright & Advisory Board Chair. Steve Smith - Valor Home

Sandra Wright was born and raised in Lorain Ohio.

Over 40 years experience in Social Work. With employment ranging from Non-profit organizations, and Criminal justice to working in the private sector for a law firm. I've been with Family and Community Services (who operates Lorain Valor home) for six (6) years, directly working with the Veteran population. I currently have a dual role for FCS. My current title is Program Manager for Lorain Valor Home and Support Services for Veteran Families.

I have a compassion for people in general and especially those who have served our country. I don't mind volunteering hours helping those in need and often work with organizations and Churches, such as Salvation Army and New Creation Baptist Church who feed the homeless and serve the underprivileged population.

Veterans are Story Tellers, they are very proud of what they've accomplished. They are the most underserved population I know and you would never know it by the pride they show daily. I just want to give back to those who served our country so faithfully.
