This Week at Rotary

MONDAY, JULY 19, 2021

At Sinclair Community College for those who have reserved a spot. Also there is a ZOOM option for those who wish to attend virtually.

"Growing Business Through Cultural Competency"

Speaker: Seema Jain, Founder of Seva Global

This interactive session will highlight how cultural competency can help to increase employee engagement, enhance customer experience, and grow your business.

Learn how your organization can improve its financial results by understanding the differences in various cultures.

Chair of the Day: Suren Singhvi

This Happened Last Monday...

Those Rotarians on ZOOM were randomly assigned to breakout rooms by Fran Rickenbach. Approximately 20 members online came together at approximately 12:15 p.m. with 52 Rotarians who met in person at Sinclair Community College. President -Elect Walt Hibner opened the meeting in the absence of President Shaun Yu. He started with a moment of silence on the passing of Honorary Rotarian, William Anderson. After welcoming remarks, Walt turned it over to Bill Nance. Bill led us in the Invocation, Pledge of Allegiance and 4-Way Test and News of the Day.

Welcome to our new Club Secretary, Linda Groover who started off by welcoming guest and visitors which included two guests of Rick Schwartz, Lisa Crego and Bill Tolliver from WinSupply, Patty Caruso introduced her son Addison who just graduated from Duke Law School, and Holly Wiggins introduced Rob Wheeler from AES Ohio. Online guests included Mike Rice (husband of Carolyn) and Steve VanGorder (guest of Patty Caruso) also in attendance in person was Jim Kelly guest of our speaker who brought his electric car on display. Next on the agenda was recognition of this weeks' birthdays...in attendance were Steve Naas, and Linda Groover. Linda started off the Day-10s for the day donating a Day-100 for her birthday as well as her son and daughter's recent achievements. Steve Naas gave a Day-100 for his birthday and his son's recent engagement and nearly becoming an empty nester. Rick Schwartz gave a Day-100 for his Anderson Fellowship in honor of Bill Anderson who he knew from his church when Bill lived in Dayton. Jim Steen gave a Day-200 for his alledged recent hole-in-one at Rotary Golf League weeks ago. Lonnie Franks gave a Day-100 in honor of Bill Anderson who he worked with at NCR. Jim Gallagher gave a Day-100 for his Anderson Fellowship in honor on Bill Anderson and sharing a story of their meeting. Kim Bramlage gave a Day-100 for her Anderson Fellowship for surviving a recent Girls Trip to Nashville with her besties and their daughters - it was quite an eye opening experience. Jim Deuser gave a Day-100 for his Paul Harris Fellowship for his good friend over the years, Bill Anderson. Fred Abrams gave a Day-100 for Bill Yanney a former Rotarian whose wife passed last month and Bill is now in a nursing home and could use some cheering up. Please contact Fred if you would like the

address to send Bill a card.

President Elect Walt then asked Mike Pabst to stand and have his red ribbon removed. Karla Garrett Harshaw introduced our newest Rotarian, Kevin Mulder from Legal Aid of Western Ohio.

Patty Caruso, Chair of the Day introduced our speaker for the day, Tim Benford, President of the Electric Auto Association's Drive Electric Dayton Chapter. Tim gave us a brief introduction of himself he spent 20 years in Royal AF Logistics and 3 years as a foreign liason office in the 70's at Wright Patterson AFb. After retirement in 1985 from the AF they immigrated back to Dayton and spent 24 years consulting in the US. In 2006 Tim was troubled by Al Gore's book on climate change that he started to take a serious interest in the topic. In 2015 he made a visit to the Tesla store in Cincinnati when the model 3 was developed he and his wife placed their order on March 31, 2016 for their car and waited 2 years 21 days and 51 minutes. TIm next developed a Facebook page for Electric Vehicle Enthusiatss and have been prganzing ride and drive events since.

Recent June headlines on EVs...

- Canada is going to ban new gas-powered cas sales by 2035
- GM boosts EV and AV investments to \$35 billion by 2025
- Audi says it will produce its last internal combustion engine by 2033, only launch new EVs by 2026
- Goodbye combustion cars! Volkswagen will bet on it electric cars in the near future
- Ram trucks go electric starting in 2024

Deciding why to drive electric...the experience is quiet, smooth and zippy. The safety rate is high with great front crash testing ratings space up front is all crumple zone and very stable with low rollover risk in with SUV. Other good features include zero tailpipe emissions electric grid is getting cleaner so no longer just coal driven now turning more to solar and wind power. No more oil changes, no more gas stations and far less maintenance and fuel costs. Many models of EVs available and there are tax incentives to buy one. You are driving the future with LCD screens include latest tech and software upgrades. Consumer Reports data indicate you will save an average of \$4,600 (50%) in vehicle lifetime repair/maintenance costs vs a gasoline-powered car. The brakes don't wear out and the power train of an EV has 1/100th of the moving parts vs gas powered vehicles. Fuel with charging at home you will save \$1,000/year in fuel costs (\$1500 savings in gas and \$500 increase in electric costs) with an average of 13,500 miles driven in a year. Where can I charge an electric vehicle... the cheapest and most convenient is to charge at home you get faster charging with a 240Volt circuit. Many companies these days are making workplace charging an option. When you are away-from-home you can find charging stations with the car's built in app or google or apple maps. The number of public chargers in growing fast, expected to triple in Dayton in the next two years. What will be different about driving electric...enjoy driving, preconditioned air (heat or AC), planned routes on longer trips to plan for super chargers, less maintenance.

EVs are a little more expensive up front however the savings over 5 years makes up for some of that from tax credits and fuel and maintenance savings.

Tim then showed us several slide of Electric Sedans and Hybrid and Electric SUVs and Cross Over vehicles available in Ohio. Electric pick ups are coming next year. We ended the day with Q&A and with going out to the circle outside the great hall and taking a look at several Electric Vehicles.

Welcome to Dayton Rotary!

NEW MEMBER PROFILE

Kevin C. Mulder has been the Executive Director, Legal Aid of Western Ohio, Inc. (LAWO) since December 1999. LAWO provides free legal assistance to low-income individuals and groups in civil (non-criminal) cases and matters, including domestic violence and other areas of family law, housing and community economic development, access to government benefits, education, and debt collection and bankruptcy. It has special programs to serve domestic violence survivors, seniors, and agricultural farmworkers. LAWO is responsible for meeting the legal needs of clients in 32 counties in northwest and west central Ohio, including Toledo and the Miami Valley area, and agricultural workers throughout the state. LAWO has seven offices, which include an office in downtown Dayton and a main office at the Center for Equal Justice in Toledo. LAWO works closely with its partner law firm, Advocates for Basic Legal

Equality, Inc. (ABLE), in meeting client needs. The justice system can be a powerful tool for rectifying injustice. LAWO and ABLE seek to ensure that all persons and communities, regardless of financial position, have access to the justice system and to

make a significant improvement in their lives. Kevin started his legal career in Toledo in 1991 as an attorney with ABLE representing clients in employment law cases. Before joining ABLE, Kevin served as an assistant public defender in New York and as a law clerk for the federal district court in Kalamazoo, Michigan. He is a graduate of the Columbia University School of Law (LL.M. 1991); American University, School of International Service (M.A. 1985); American University, Washington College of Law (J.D. 1984); and Central Michigan University (B.S. 1980). Kevin and his wife Beatrice reside in Toledo and have two daughters.

In Your Thoughts and Prayers

Please keep Rotarian Tom Kemp in your thoughts and prayers as he recovers from spinal surgery on Monday, July 12th at the Cleveland Clinic. If you would like to send him get well wishes you may do so at his home address: 475 Stonehaven Road, Dayton, Ohio 45429

***If you know of other Rotarians who are under the weather or having surgery please let Laura know in the office so that we may send them a card or make contact with them. Thank you*

School Supplies Drive Benefitting Crayons to Classrooms

Think about being asked to complete a writing assignment without having a pen or pencil. Many children in our community face this situation every day when they go to school!

ROTARY CLUB OF DAYTON IS PARTNERING WITH

Tools For Teachers, Success For Students

TO HOST A BACK-TO-SCHOOL SUPPLY DRIVE!

You may bring your donations of basic school supplies to the Dayton Rotary Office or to the Dayton Rotary Monday meetings **July 15th - August 31st**. Or you can **donate online** directly to Crayons to Classrooms at the following link to our **Dayton Rotary Page**—we have a goal of raising \$2000. Link: [**Rotary Club of Dayton | Stuff the Bus \(givingfuel.com\)**](http://Rotary Club of Dayton | Stuff the Bus (givingfuel.com))

Please consider helping students in need as they head back to school this fall! Most requested items include:

• Crayons (24-count)	• Pens
• Colored Pencils	• Pencils & Sharpeners
• Filler Paper	• Glue Sticks
• One Subject Notebooks	• Dry Erase Markers
• Pocket Folders	• Washable Markers
• Highlighters	• Kids Scissors

Items collected through this supply drive will be placed on the shelves of Crayons to Classrooms, Dayton's only teacher resource center—a “free store” for Dayton-area teachers to supply local classrooms in need. Teachers that qualify can visit Crayons to Classrooms, “shop” for supplies, and return them to their classrooms and students at no cost.

Your generosity will make it possible for our area children to go back to school with self-confidence and the supplies necessary to put their best foot forward!

Thanks for your participation!

Our Sympathy

Our sympathy to the family and friends of Honorary Rotarian William S. Anderson who passed away on June 29th at the age of 102. Bill had been an honorary member of our club since November of 1976 when he served as Chairman of the NCR Corporation. The following is a link that was featured in the DDN regarding Bill.

<https://www.daytondailynews.com/local/former-ncr-chairman-william-anderson-dies-at-102/CLD3N7B22FFHVBRO3SDO77EOYU/>

Contact Walt Hibner, Health MacAlpine, Steve Naas or Steve Conklin for any questions.

Join the Dayton Rotary Golf League

The Dayton Rotary Golf League is playing at Community Golf Course on the Dales Course this year on Wednesday nights. They currently have 3 tee times starting at 5:22, but can get more if needed.

Breakdown on Cost:

There is a 1-time seasonal fee of \$10.

(Jim has already paid it for the league, so each golfer will need to pay that to him when you first show up to play)

Weekly costs are as follows:

9 holes with cart - \$21, \$19 for seniors (age 60 & above).

9 holes walking - \$14, \$12 for seniors.

If you want a cart alone it is \$5 more. The carts have dividers.

Any questions or to sign up please contact Jim Steen, 937-294-9000

or jim@peakadvisorygroup.net
