Speakers

This Week at Rotary

MONDAY, AUGUST 30, 2021

At Sinclair Community College for those who have reserved a spot. Also there is a ZOOM option for those who wish to attend virtually.

"The State of Bail Reform"

Speaker: Judge Steven Dankof

Presently, the United States incarcerates more of its citizens than any other country in the world. Every evening, 500,000 people languish in jail convicted of precisely nothing and presumed innocent as they await trial. Greatly contributing to this mass incarceration is the use of cash or money bail. Individuals presumed innocent stay in jail because they cannot afford to purchase their pretrial freedom. *The Columbus Dispatch* has likened our bail system to debtor's jail.

Judge Steven Dankof has begun a cashless bail program for pretrial defendants assigned to his docket for nonviolent low-level felonies. Judge Dankof has been on the forefront of the statewide effort toward bail reform, which has resulted in new Ohio Supreme Court rules expanding bail reform. Judge Dankof will talk about the problems the courts still face and his innovative approaches to finding solutions. Judge Dankof was appointed to the Montgomery County Common Pleas Court General Division in 2010 and was re-elected in 2014 and again in 2020.

Rick grew up.

Rick Schwartz thanked President Yu for the introduction and John Lyman for inviting him to speak. He explained that Winsupply was a unique constructional company selling to contractors and suppliers in 620 locations and 45 states. Last year the company made \$4.2 billion, and this year is projected to make over \$5 billion. Each company has a board of directors. There are two levels of shareholders: the presidents and key staff and traditional long-term shareholders from the '50s and '60s. Winsupply is a private, stock-controlled company and will not go public. They have six banking partners.

The company is an Entrepreneurial model based on three principles of Sharing, Trusting, and Helping. They have over 1200 Entrepreneurs and have never had a year when the parent company lost money. They have 7,200 employees, with 500 in Dayton, Ohio.

Rick authored The Spirit of Opportunity, which was discussed at our Dayton Rotary book club in April 2021. He introduced his next generation of leaders and goal to have over 100 new presidents by 2024. They currently have five distribution centers across the country and are building one in Oklahoma, scheduled to open in 2022. There are plans for an additional two more after that. There were two questions: how they got their name Winsupply and are they having difficulties with the supply chain. Originally their first company was the N O Nelson company, and they changed to something more positive, WinSupply. They have great relationships with their suppliers and manage their petrol chemical-based products to provide a high quality of service. Rick invited the audience to pick up a free brochure given to new employees called The Keys to our collective success.

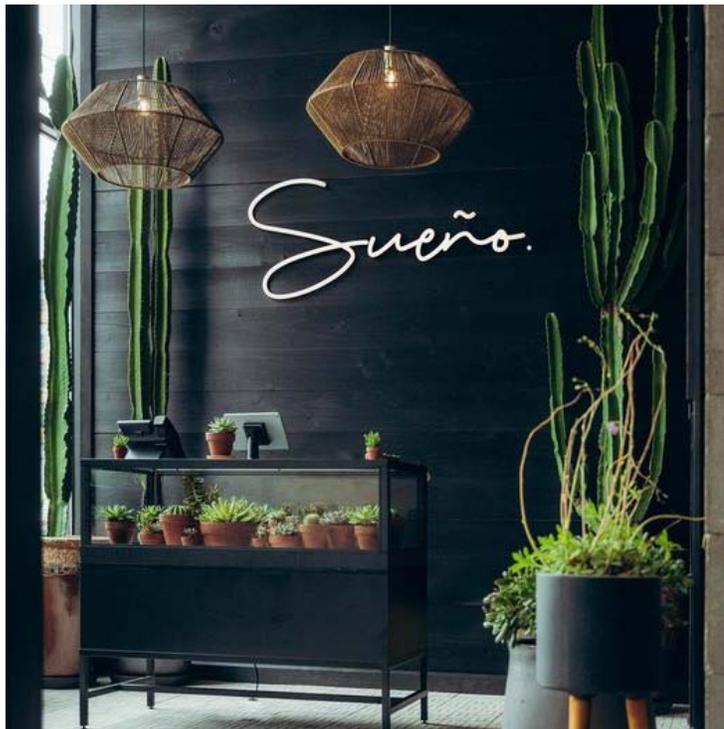

President Yu gave Rick the traditional Rotary coasters and thanked him for the presentation. There were 60 people present and 32 members on Zoom for the meeting.

Our next meeting on August 30 is Judge Steve Dankof, Montgomery County Common Pleas Court, called "The State of Bail Reform." The meeting adjourned at 1:10 pm.

Below please find the link for a recording that Rick did of his presentation the next day from his desk because the original recoding at the meeting didn't contain the power point slides due to a technical glitch with screen sharing. Thanks to Rick for having his team edit the video from Monday to include Shaun's introduction and then move right into the program hence the jump in settings from Sinclair to Rick's desk at his office.

Rotary Book Club

Rotary Book Club met this week and had an interesting discussion about the book *Life's Edge*. Some came for clear answers of when life began, and others came for information they didn't know. The author said there were as many definitions of life as there are people, so we didn't come away with any clear explanations. We did enjoy the many stories told in the book. The group is ready to read something other than science and research, or anything very serious.

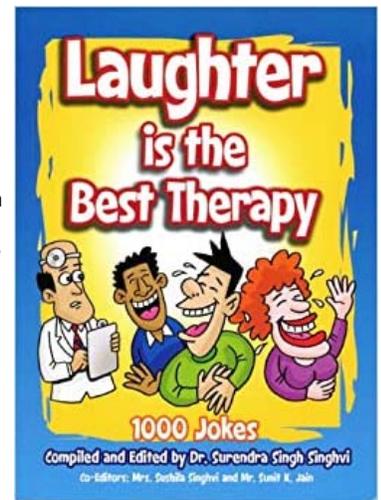

We took the suggestion of Jason Hilliard, who is reading a book about laughter, as our next book. Surendra chimed in and said he wrote a book about laughter and invited us to read it also.

So, our following two books are: *Humor, Seriously: Why Humor is a Secret Weapon in Business & Life* by Jennifer Aaker & Naomi Bagdonas,

And, *Laughter is the Best Therapy: 1000 Jokes* by Dr. Surendra Singh Singhvi. This book is available on Amazon, or Fred Abrams will bring ten copies from Surendra to our next Rotary meeting and give them free of charge to those who request one.

Our next meeting is Tuesday, October 12, 2021. Some have asked if we could experiment with a blended in-person/Zoom meeting. John Lyman agreed to explore reserving a room at Boston Stoker, and I will provide the Zoom part of the call, so stay tuned for future details.

School Supplies Drive Benefitting Crayons to Classrooms

Think about being asked to complete a writing assignment without having a pen or pencil. Many children in our community face this situation every day when they go to school!

ROTARY CLUB OF DAYTON IS PARTNERING WITH

Tools For Teachers, Success For Students

TO HOST A BACK-TO-SCHOOL SUPPLY DRIVE!

You may bring your donations of basic school supplies to the **Dayton Rotary Office** or to the **Dayton Rotary Monday meetings July 15th - August 31st**. Or you can **donate online** directly to **Crayons to Classrooms** at the following link to our **Dayton Rotary Page**—we have a goal of raising \$2000. Link: [Rotary Club of Dayton | Stuff the Bus \(givingfuel.com\)](https://www.givingfuel.com/rotary-club-of-dayton-stuff-the-bus)

Please consider helping students in need as they head back to school this fall! Most requested items include:

• Crayons (24-count)	• Pens
• Colored Pencils	• Pencils & Sharpeners
• Filler Paper	• Glue Sticks
• One Subject Notebooks	• Dry Erase Markers
• Pocket Folders	• Washable Markers
• Highlighters	• Kids Scissors

Items collected through this supply drive will be placed on the shelves of Crayons to Classrooms, Dayton's only teacher resource center—a “free store” for Dayton-area teachers to supply local classrooms in need. Teachers that qualify can visit Crayons to Classrooms, “shop” for supplies, and return them to their classrooms and students at no cost.

Your generosity will make it possible for our area children to go back to school with self-confidence and the supplies necessary to put their best foot forward!

Thanks for your participation!
